Edwin --

It's morning in America. Yesterday, we stood together against big government and took back the U.S. Senate from Obama and Harry Reid.

That's not all.

- ☐ We dispatched thousands of volunteers to polling places around the nation to recruit Ben Carson supporters for 2016 and collect their contact info and petition signatures.
- ☐ We proved that our radio ads targeted to black voters in North Carolina made a crucial difference in defeating Kay Hagan.
- ☐ We used our ground game and extensive organization in all of Iowa's 99 counties to get the vote out for Joni Ernst who won her race for Senate.

We have worked hard and cleared the path for Ben Carson to run for President.

And now, as of yesterday, Dr. Carson has officially changed his party affiliation from

Independent to Republican.

Here is more info and a video of Dr. Carson making the party-switch official.

And even better... Dr. Carson said that his decision to run hinged on Republicans winning the Senate. We won! So now let's push Dr. Carson to commit to run for President.

It's up to us to make the most of every day from now until President Carson takes office.

God Bless,
