I apologize for my error below. I meant to say, " I did receive the invite dropped off to our office on Tuesday afternoon". Ms. Sheila brought it back to my desk, but unfortunately I did not get back to you yesterday. Sorry for the error in my below response. 1,000 attendees is wonderful! If you are interested in receiving a statement from the Governor, it would be best to reach out to her press office. I have copied Chaney Adams on this email. She can assist if you are interested.

Hi Nicole, by chance, was it dropped off at our old office? We are now at 530 Knox Abbott Drive in Cayce. What was the invite? I am not aware.

I am sorry to hear Governor Haley is unable to be with us. Our number will likely swell to 1,000 by Sunday. Is there a statement to share on her behalf about this 10th leading cause of death in SC?

I can understand how terribly busy you all are at this time.

Thank you for all you do for us.

Sincerely, Helen

Helen,

Thank you for your email. I did you receive the invite dropped off to the office on Tuesday, I apologize for the delayed response. As you can imagine, I have been swamped with requests since Hurricane Matthew. Thank you so much for thinking of Governor Haley again this year to attend the 12th Annual Columbia Out of the Darkness Community Walk on October 23, 2016 down Main Street. Governor Haley appreciates your kind consideration, but regrettably the Governor's travel schedule will not permit for her to attend this coming weekend. Thank you for thinking of Governor Haley, and best wishes on a wonderful event again this year.

Take Care,
Nicole

Ms. Patel,

I haven't received any word about whether Governor Haley will be with us on Sunday. We dropped off a letter on August 1 and I emailed this one to you. I dropped off a second copy yesterday at the reception desk.

Could you possibly let me know by Friday? If Governor Haley is unable to attend, we would be glad to read a statement from her, if this is helpful.

Thank you for your assistance.
