422 Cranewater Court
Columbia, SC 29212

Dear Governor Haley,

I made this for you as a token of my sincere gratitude of your leadership. I began this piece after your response to the Charleston shootings. The piece was finished after the recent flood. I truly believe that by God's Amazing Grace, leaders like yourself, and the amazing people of South Carolina - our State will be stronger and better than ever. I hope you enjoy this piece and see what I see in it.

Sincerely,

Lisa Brebner
