Subject: FW: Assistant Inspector General Salary

BBR wants the costs for the IG function to be prorated among the Divisions most impacted. Below is an annualized breakdown. The payroll cost for the balance of this year will be approximately half the amounts shown. To facilitate the hiring process for a January 17 eod I asked Carol to initially use HP numbers for payroll and do appropriate paperwork transfers from other divisions to payback HP. Please advise if you have any questions.

Larry, we have prorated the Assistant Inspector General's salary as follows:

Highway Patrol	55%	\$22,000
STP	8%	3,200
BPS	4%	1,600
DMV	33%	13,200
		\$40,000

Let me know if you require any additional action from me. Thanks.
