Jimmy –

Attached is a final draft of the Gartner Statement of Work for Enterprise Security Program Assistance. This SOW is very much aligned with our discussion from Friday afternoon. We marked the SOW draft to give you an opportunity to review and provide feedback so that we can fine tune and finalize the SOW together as needed.

At the same time, I have reached out to Bob Smock to see what changes we can make to accommodate a Thursday afternoon or Friday morning meeting with you and IG Maley. I will get back with you very shortly on that.

Please call or email me if you have any questions regarding the SOW.

Thank you,
Jeff
