The Post-Acute Care Management Summit for Health Plans

Hi Tony,

Your members are at their most vulnerable in post-acute situations. Get proven strategies to streamline and enhance your operations in this challenging setting at **The Post-Acute Care Management Summit for Health Plans, August 29-30th at the Loews Hollywood Hotel in Los Angeles.**

You will learn from our one-of-a-kind faculty how to optimize discharge planning and coordination, improve efficacy of home health and community-based social programs, reduce readmissions stemming from poor care coordination, and so much more!
