The Honorable Nikki R. Haley
Governor of South Carolina
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley:

Regarding Requiring Students to Pass a Civics Test before Graduating from High School,

As a parent of four daughters I think it is essential to make sure our children know and understand what they are being taught in school. Having a civics test before graduation, making sure that they understand this country and what it is founded upon should not be a burden. Especially since they are only required to get 60 out of 100 right (which is an F). We need to make sure that our children are prepared to make there way in our country and this is not a burdensome standard.

A proud member of National Write Your Congressman.

Sincerely,

Jeffrey Clemens
