Circa 1950 plain double block commercial building. It is rectangular in plan and is one story tall. It is clad in brick veneer and has a flat asphalt roll roof that is concealed behind a low flat parapet with aluminum coping at the roofline. Both storefronts have full-light wood and glass doors with simple transoms flanked by fixed two-pane picture windows. The far west window has been replaced with synthetic siding. A wood panel loading door is located on the west elevation within a courtyard at the rear of the building. The foundation is concealed. This resource appears to be vacant or used for storage.

Resource 0334.03 is connected to Resource 0334 at the rear of the building and 0334.02 on its east elevation
