**Subject:** Is your organization protected from cyber security risks?

---

Hi,

With the recent OPM data breach hitting the news, it is now indisputable that **there are endless threats** your organization must identify, understand and prepare for.

**Join Kevin Lancaster, CEO of Winvale and Attorney, Robert S. Metzger of Rogers Joseph O'Donnell as they host a one hour webinar - [Cyber Threats & Privacy Concerns in the Public Sector](#) - on Tuesday, June 23rd at 1 p.m. EDT, during which we'll discuss:**

- Overview of Cyber Breach and Privacy
- Concerns for Public Sector Organizations
- Concerns for Federal Contractors
- Types of Breaches and Hackers
- The Risks: National security, loss of public trust, loss of Intellectual Property, loss of confidential and sensitive data (including PII, PHI, PCI)
- Legal: Privacy Act, Federal and State Disclosure Requirements
- Cyber Incident Preparedness Checklist, including steps to take before a cyber attack occurs, responding to a cyber attack, as well as what **not** to do following a cyber attack
- Identity Protection and Response Management
