Debbie,

I left a voice mail on your phone and would like to talk about some options on proofing the Accountability Report. It will be helpful to see specific examples needing work to best determine what avenue to pursue. I hate you spent so much time reviewing the document. Two grammarians and several staff reviewed the document before it was sent to you. Obviously things were missed and it's important to get them corrected.

Look forward to talking soon.

Tony

Subject: Accountability Report

Tony and Sue,

Please provide me a plan by the end of the day on how we can have the accountability report proofed correctly and changed prior to it being given to the Lt. Governor for his approval.

It took me over two hours to read half-way through it, and there are several concerns I have.

Thanks,
Debbie
