And, again, but I know that you know how this goes. He's traveling to MB on Friday, but he'll get there late. No ability for a stop. But, he would like to do something in Aiken on the morning of the 23rd. Sorry for the musical chairs.

Shouldn't be a problem to find somewhere. I will work on... any particular part of MB?

Hank, LG will be in MB on January the 19th, and he'd like to stop by a center or facility sometime between Noon and 4. Will that be possible? Thanks
