Subject: SC Great Outdoors Center
Importance: High

Rob,

Good morning. I am President of the South Carolina National Heritage Corridor and we are working closely with SCDNR and Senator Thomas Alexander on the SC Great Outdoor Center project in Oconee County. Please see the link below for more information.

<https://www.dropbox.com/s/zzs3k4r8a0da89l/GOC.2.pdf?dl=0>

We now have over 20 partners on the project and we will be making a statewide public announcement this weekend regarding an exciting new partnership that will make our center one of the largest veterans wellness facilities in the country. If possible, I would love to meet with you to provide a more detailed briefing before the information goes public. Would you have some time tomorrow or Thursday?

Thank you so much and I look forward to sharing this information with you soon.

Warm regards,

Michelle McCollum

"Visitors will know they have arrived in a real place when they deal with clerks who do not wear uniforms, when they find in shops well-crafted articles whose makers live nearby, when they discover on restaurant menus dishes they could not order anywhere else. They know they have arrived at a cherished place when

artists choose not merely to live there but to photograph and paint it, to write and sing of it; when archaeologists and historians delve into its past; when natuarlists keep track of the local flora and fauna; and when elders pass on all of this lore to the young." ~ Scott Russell Sanders
