Subject: Interview opportunity for the Governor

Hi Holly and Bhavna -

FYI - I just sent this text to the Governor.

Thanks!

Do you have time to do a quick radio interview about the flood fund with SCETV later next week? Laura Hunsberger, 803.737.8344, is doing a series of stories on the impact of the fund & the organizations that have received \$ & are helping our state rebuild. Your voice would add oomph! Thanks!
