Re: US Army Special Forces Association annual conference.

Senator Alexander would like Governor Haley to do a proclamation for the upcoming US Army Special Forces Association Annual Meeting. Their annual conference will be in Camden on June 12, 2014. Attached is the language used for the proclamation done by the City of Camden in case you want to use any of that language. Senator Alexander said it would be a good crowd for the Governor, if she wanted to consider coming by that day.

Let me know if you need anything else and I look forward to hearing from you soon.

Lisa
