Hi, Katherine!

It is a great week in South Carolina! This definitely makes my heart smile! I actually have training tomorrow so I will not be able to attend. However, I will definitely be cheering from afar! Thanks so much for the invite and I look forward to many more. I am so excited about the initiatives that are being put in my place for the success of our students and future citizens! Thanks so much and a special thank you to Governor Nikki Haley for her amazing leadership!

Have a great afternoon!

Thanks,
