**cortbellfarm** Wow, and Yes! We are moving back to S.C. soon (where my husband is from). I'm a TN girl. I never checked the waters this closely until I lived in S.C. !! Gators ➡ can live in any standing water in the warmer climates. I love the creatures, but I'm going to miss gator free lakes and ponds and marshes- snakes, however, are still here in TN 😊 Still, all animals are beautiful (and I don't count mosquitoes as animals- lol) ♥

at 19:24:40 on 10/23/2020 UTC

**cortbellfarm** Sounds wonderful ❤️ We lived on the border of Augusta GA and SC. Had a few gators (not often) walking down the street in neighborhoods. Amazing and humbling for this TN girl- and kept me wary of the water.
