---

Hi Chaney and Derrec -

I'm the senior booking producer for CBS News' 24-hour network, CBSN. Wanted to reach out in advance of our network's GOP debate on February 13th in Greenville.

Nancy Cordes will be anchoring our 3-hour network debate pre-show on CBSN. CBSN is available to users across all leading digital platforms including key connected TV devices (AppleTV, Roku, Amazon, Xbox) and mobile devices through the CBS News App and online at [cbsnews.com/live](http://cbsnews.com/live).

If Governor Haley is attending the debate on the 13th, I'm hoping she may be able to join us on our set in the spin room between 6-8pm for an interview with Nancy Cordes.

Please let me know if you have any questions and I'm looking forward to making this happen.

Best,  
Adam
