What Mike does for the kids is great teaching them about the past and he always answers any question that the kids have plus it gets the kids out and something to do which Beaufort doesn't really have anything for the kids it's always a great time when Mike puts on a hunt

My 5 year old is obsessed with sharks and we were able to go to one of the events in July. We all had a blast! He recently took the teeth he found to school for show and tell and all the kids loved to see them. Don't shut down these events!
