Hi Emily,

Thanks for your note. I left a voicemail for you a couple minutes ago, but wanted to pass along some timeslots in the meantime, to see what we can work out.

I have a family matter to attend to out-of-state next Friday, which unfortunately, I can't reschedule (figures). My schedule is pretty flexible earlier next week, though, so I could meet anytime Tuesday or Wednesday (except before 10AM on Tuesday).

Also, I was forwarded a copy of the contact list for the Commissioners, and wanted to give you alternate phone numbers for me...both are direct lines:

BlackBerry: (803) 543-0792 (best number to use)

Desk line: (803) 734-5156 (the contact list had area code 808, which I think might be why I didn't get the voice mail)

Finally, I did a fair amount of work with PennSERVE (Pennsylvania's Governor's Office of Community Service) in my past life, so hopefully, you won't be stuck having to catch me up from scratch. Thanks again.

Mr. Soura,

I am writing on behalf of the SC Commission on National and Community Service to welcome you to the team. We received Governor Haley's letter appointing you to the Commission. The next meeting is Friday, September 7 from 11am - 2pm in our offices at the United Way Association of SC. Later this week, you'll receive an agenda and meeting details in a separate email from my colleague, Addie Thompson.

I left you a voicemail yesterday (before realizing that you're very likely in Florida right now!) requesting an orientation meeting prior to the first Commission meeting with myself, our President, Tim Ervolina, and our appointed Chair, Lanneau Siegling. We'd like the opportunity to catch you up on the work that we do. If you have any available time slots before September 7, please let me know.

I look forward to working with you. We are delighted that you'll be serving with us.

Emily
