Marcia, I faxed a copy to both you and Scott, let me know if it doesn't come through for some reason.

Blair,

My fax # is (803)896-8926. I would like to see the document. The only communication I have received from AAMVA is an administrator update from the CEO stating that the House Appropriations Committee had made an inquiry to AAMVA concerning the cost study and that AAMVA was working with them to identify states that the committee may want to visit. I am attaching the excerpt from the AAMVA CEO's report for your information.

Marcia

That's interesting that you didn't get a copy, perhaps it's in the mail and hasn't gotten to you yet. I can fax you my copy if you would like to look at it. What is your fax number? NGA is meeting with them on Tuesday to see what this is all about, but since we are a non-complying state we may want to have an individual response to this inquiry. I'll let you know what comes out of the Tuesday meeting and you and Scott can make a determination of how we should proceed.

Yup. Mine came today. I'm meeting with them Tuesday morning to see what this is all about. They want a history from NGA on REAL ID, our interactions with the law, with DHS and the Cost study we did with AAMVA and NCSL.

Subject: REAL ID Questionnaire

Were you aware that the House Appropriations Committee has sent out a questionnaire to all states regarding REAL ID? I think they initially sent it through AMVAA but I got a copy slipped under my door this morning and it's directed to our DMV and Homeland Security Directors.
