

Dear Governor Halley,

I have written about you and
prayed for you in my letters and it
is a joy to me that you won.

My social security check is lost and
could be at Agape, merci or Social
Security. Could you locate it for me
also someone has stolen my

medicaid number. My new address
is Jane Melluga Dry Grove 483
Lockhart Lane Gaffney S.C. 29341

2841. I like Mr. Bobie. But prefer
Fong's Drug store at Carter Street and
getting my own medicine. Psychiatrist says
I can do that as I did a long time at
Transitions correctly and that I'm well enough to work.

It would be a blessing if you gave me
a position not a job but a position
with a salary for at least as much as a
teacher makes in 6 years. McClain who I
think is GREAT said I could have a car
and driver for where I need to go because
of only one eye and bilateral knee surgery. Agape

fight to vote next time.*

*I need a position to work and get a few
more years to qualify for medicare benefits.
I hope you can get me a good position
