Sheheen has called on Democrats to "go all in to defeat Nikki"

Help us fight back!

Friend,

Tuesday Sheheen's campaign sent out an email blast to thousands of Democrats calling on them to *"go all in to defeat Nikki Haley"* and asking them to *"send Nikki Haley packing."*

Under Nikki's leadership, we're seeing historic lows in our unemployment levels, new jobs are being added almost every week, and our state is moving in the right direction.

Voters have a clear choice: Sheheen who will only put himself first, or the proven leadership of Nikki Haley who will continue to fight for all of South Carolina.

Please, make a donation today to stop Sheheen:
