**Subject:** Johnson - magistrates feedback

---

Katherine: I am really concerned again about my magistrate vacancy in Clarendon County. I'm beginning to wonder now if this is personal. I don't feel comfortable voting on any nominations when I can't get mine over here for confirmation. I can't even get anyone to give an appropriate reason as to why this is taking so long. For the record, I have voted in favor of every nomination that came from the governor's office even though others tried to persuade me not to.
