Special Assessment Panel Presentation 06192014.ppt

---

Friends:

Act 200 of 2014 may have budget implications and policy issues for the next legislative session. I wanted to keep you updated on the work of the Special Assessment Panel. The Panel met this morning at 10:00 at the DHEC auditorium to receive public comment. The public comment should help guide the writing of the RFP. Both the EOC and the SC Department of Education conducted surveys and presented the findings to the panel.

I am attaching for you the following:

The actual surveys that the EOC administered in late May and early June to parents, principals/teachers, and district officials. The PowerPoint that summarizes the results was also provided to the panel. I think you will find it interesting.

Let me know if you have questions or concerns!

Sincerely,

Melanie Barton
