Hi, I was looking at getting a state park pass for my family but I had a question regarding some of the places. I saw a video today about Charles Town Animal Forest, would this be included in the state park pass if we got the all parks pass?

We are newer to the South Carolina so would like to take advantage and start exploring but I was unsure what all is included
thank you for your time.

Oh that is perfect! Thank you!

Do you have a list or guide of everything included with the yellow pass?

Sorry for all of the questions

Hi! I sent a few emails asking permission for a group of homeschoolers to get together at Givhan's State Park for activities, curriculum event, hiking together, and just play dates. I haven't heard back.
Who do I contact for permission? It wouldn't be a huge gathering, only maybe 10 families. Thank you

You would need to contact the park directly. You can call 843-873-0692 or contact the park manager at bgoff@scprt.com.
