Additional Disaster Recovery Centers Open in Berkeley County to Help South Carolina Flood Survivors

COLUMBIA, S.C. – Two new disaster recovery centers are open in Berkeley County to help South Carolina flood survivors. The centers, one in Goose Creek and one in Huger are open 8:00 AM to 7:00 PM seven days a week until further notice.

Representatives from the South Carolina Emergency Management Division, the Federal Emergency Management Agency, the U.S. Small Business Administration and other public and private agencies are at the center to explain disaster assistance programs and help survivors with applications for aid.

The disaster recovery centers are located at the following addresses:

Berkeley County- Goose Creek

303 N. Goose Creek Boulevard
Goose Creek, SC 29445

Berkeley County- Huger

Berkeley County Emergency Services No. 7
1501 Recreation Road
Huger, SC 29450

It is not necessary to visit a center to register for and receive state-federal disaster assistance. If possible, survivors should register with FEMA before visiting a recovery center.

To register go online any time to DisasterAssistance.gov or call the FEMA helpline at **800-621-3362**. Help is available in most languages, and phone lines are open 7:00 AM to 10:00 PM seven days a week until further notice.

Disaster survivors who are deaf, hard of hearing or have a speech disability and use a TTY may call **800-462-7585** to register. Those who use 711 or VRS (Video Relay Service) or require accommodations while visiting a center may call **800-621-3362**. All disaster recovery centers are accessible and equipped with tools to accommodate disaster survivors who need disability-related communication aids.

Federal and state disaster assistance for eligible individuals and families can include money for temporary rental assistance and essential home repairs for primary residences and help with other serious disaster-related losses not covered by insurance.

Low-interest disaster recovery loans from the U.S. Small Business Administration are the primary means of federal help for disaster survivors, including homeowners, renters and businesses of all sizes. Individuals

and businesses should first register with FEMA. For information on SBA disaster recovery loans call **800-659-2955/800-877-8339** TTY or go online to [SBA.gov/disaster](https://disasterloan.sba.gov/ela). An application for an SBA disaster recovery loan may be completed online at <https://disasterloan.sba.gov/ela>.

Additional disaster recovery centers are open in affected South Carolina counties. For information on the locations of recovery centers call the FEMA helpline at **800-621-3362** or go online to www.DisasterAssistance.gov.
