Danny,

Here are historical appropriations from the Budget for National Boards.

I'm still looking for the actual allocations.

Danny,

I'm looking for my historical amounts. Here are the disbursements to the school districts for FY 2016. That's the last year I have the actual data by district.

Do we also have a breakdown of the geographical distribution?

Danny,

I have historical appropriations somewhere. Let me see what I have on historical expenditures.

I'm sure I have the past several years somewhere.

Good morning, do you have the figure for how much we've spent on NBCT stipends since they began? Thanks
