If things are going so well, why is my house worth \$30K less than we paid for it in December, 2006? That was a rude awakening yesterday when I tried to refinance it for HARP. I'm being taxed at \$181,700 and the bank says it's worth \$150K.

If things are going so well, why does SC have the 2nd highest rate of women killed by domestic violence?
