Dear Mr. Rowe, please find attached LG Bryant's submission for your consideration. We have it at 664 words, and we'd appreciate your indulgence, but if you absolutely need it at 650, please let me know.

LG Bryant will testify to Rep Bedingfield's opioid study committee in Charleston on Wednesday, and we'd respectfully request that this piece run over the weekend, if possible.

I'll also send along a new head shot in a day or two.

Thanks so much for your consideration.

Danny

Mr. Rowe, LG Bryant would like to submit an opinion piece for consideration. What is the word limit that we should adhere too? Thanks
