Governor Haley,

I need your help with my tax credit being cut out, I have inclosed the letter I have sent to the Market Place to make an appeal.

Janice Dangley

3/17/15

I am appealing the decision of cutting out my tax credit for the Month of March 2015, because I did send the proof of income for myself and my husband for 2015.

On 3/9/15 I received a letter from Blue Cross BlueShield of South Carolina stating that my bank account was going to be debited for \$703.77 on the 4/1/15 because the Market Place had cut out my tax credit.

I called the Market Place and was told the tax credit was cut out because they didn't receive proof of my income.

In February I sent proof of my and my husband's Social Security yearly benefits for 2015, it was sent to London, Kentucky.

This the third time that I have sent this same information into Market Place, would you please help me, I have done everything that I was asked to do and I am still being punished.

Could someone please straighten out this mess, I talked to more than ten people from Market Place and I've been told that the paperwork that sent in has not made it from one part of Market Place to the other office.

Please help, this is not right, I have  
been told that I have Cancer and I  
can not afford to pay 703.33 at this time,

This letter is also being sent to my Governor,  
State Senators and Congressman of South Carolina  
they will me.

Janice Dingley
