Dear Mr. Keck:

I'm writing to express my concern regarding one of the approved Medicaid Managed Care Organizations, Unison Health Plans. We have been negotiating with their parent company United Healthcare since January of 2010. We have agreed to Unison's proposal for the inclusion of our hospital Chester Regional Medical Center into the preferred provider network and have received absolutely no feedback despite several attempts to contact them.

There is a large Unison Medicaid membership in Chester County and would like to provide needed services to them however we are precluded from doing so due to Unison not being forthright in finalizing the agreement. As a result your constituents enrolled in Unison have to drive outside the county for healthcare services.

I would appreciate any help you could provide in finalizing the hospital agreement between Unison and Chester Regional Medical Center. Feel free to contact me at 813.581.3151 or Tara Brewer, our Divisional Director of Managed Care, at 704.697.9108 who can provide any details you may need.

Sincerely,

Thank you for your letter dated January 25, 2011, regarding the status of negotiations between Carolina Pines Regional Medical Center and Unison Health Plans.
