Subject: Re: October 13th project day

Christian,

Hope you are great! Just an update- I think we are going to switch our October 13th project location to Marlboro County...There is a school there that literally consists of 6 portable units....That is it... Needless to say, we would still greatly appreciate the governor or anyone from her staff to be present.

Thanks!
Jenni

Hi Christian,

Just wondering if you have heard any information on the Original Six Foundation or if Governor Haley would be able to come to attend the October 13th, Bamberg weatherization day.

Thanks,
Jenni

Christian,

Hope you are having a great Wednesday.

I just got off the phone with USC. Would Governor Haley be able to make it to an October 13th weatherization project day in Bamberg?

Thanks so much!

Best,
Jenni
