Subject: Today is Bring Your Bible to School Day and I am praying for you. ~ Website email from Vaun Wimberly

Lt. Governor Bryant, Today is Bring Your Bible to School Day - Christian children exercise religious freedom and share their faith in school. I am praying for our students and for you as you make decisions that affect our students and determine not only what our democracy looks like today, but also what it will be in the future. May God's grace and peace be with you. Vaun Wimberly
