**due to your new policy on mask, I will no longer be visiting your parks until you rethink policy that is stepping on our rights as American citizens. I am disappointed by the actions and the way y'all have elected to handle this. I will say I am also glad I didn't waste my money on a park passport this year as I would no longer have any use for it. i will also be in following your page or supporting you in anyway until this is no longer you policy!**
