

Dear Governor Haley,

We are looking forward to spending a day in Columbia learning all about our state's history. As third graders, we have learned about South Carolina history all year.

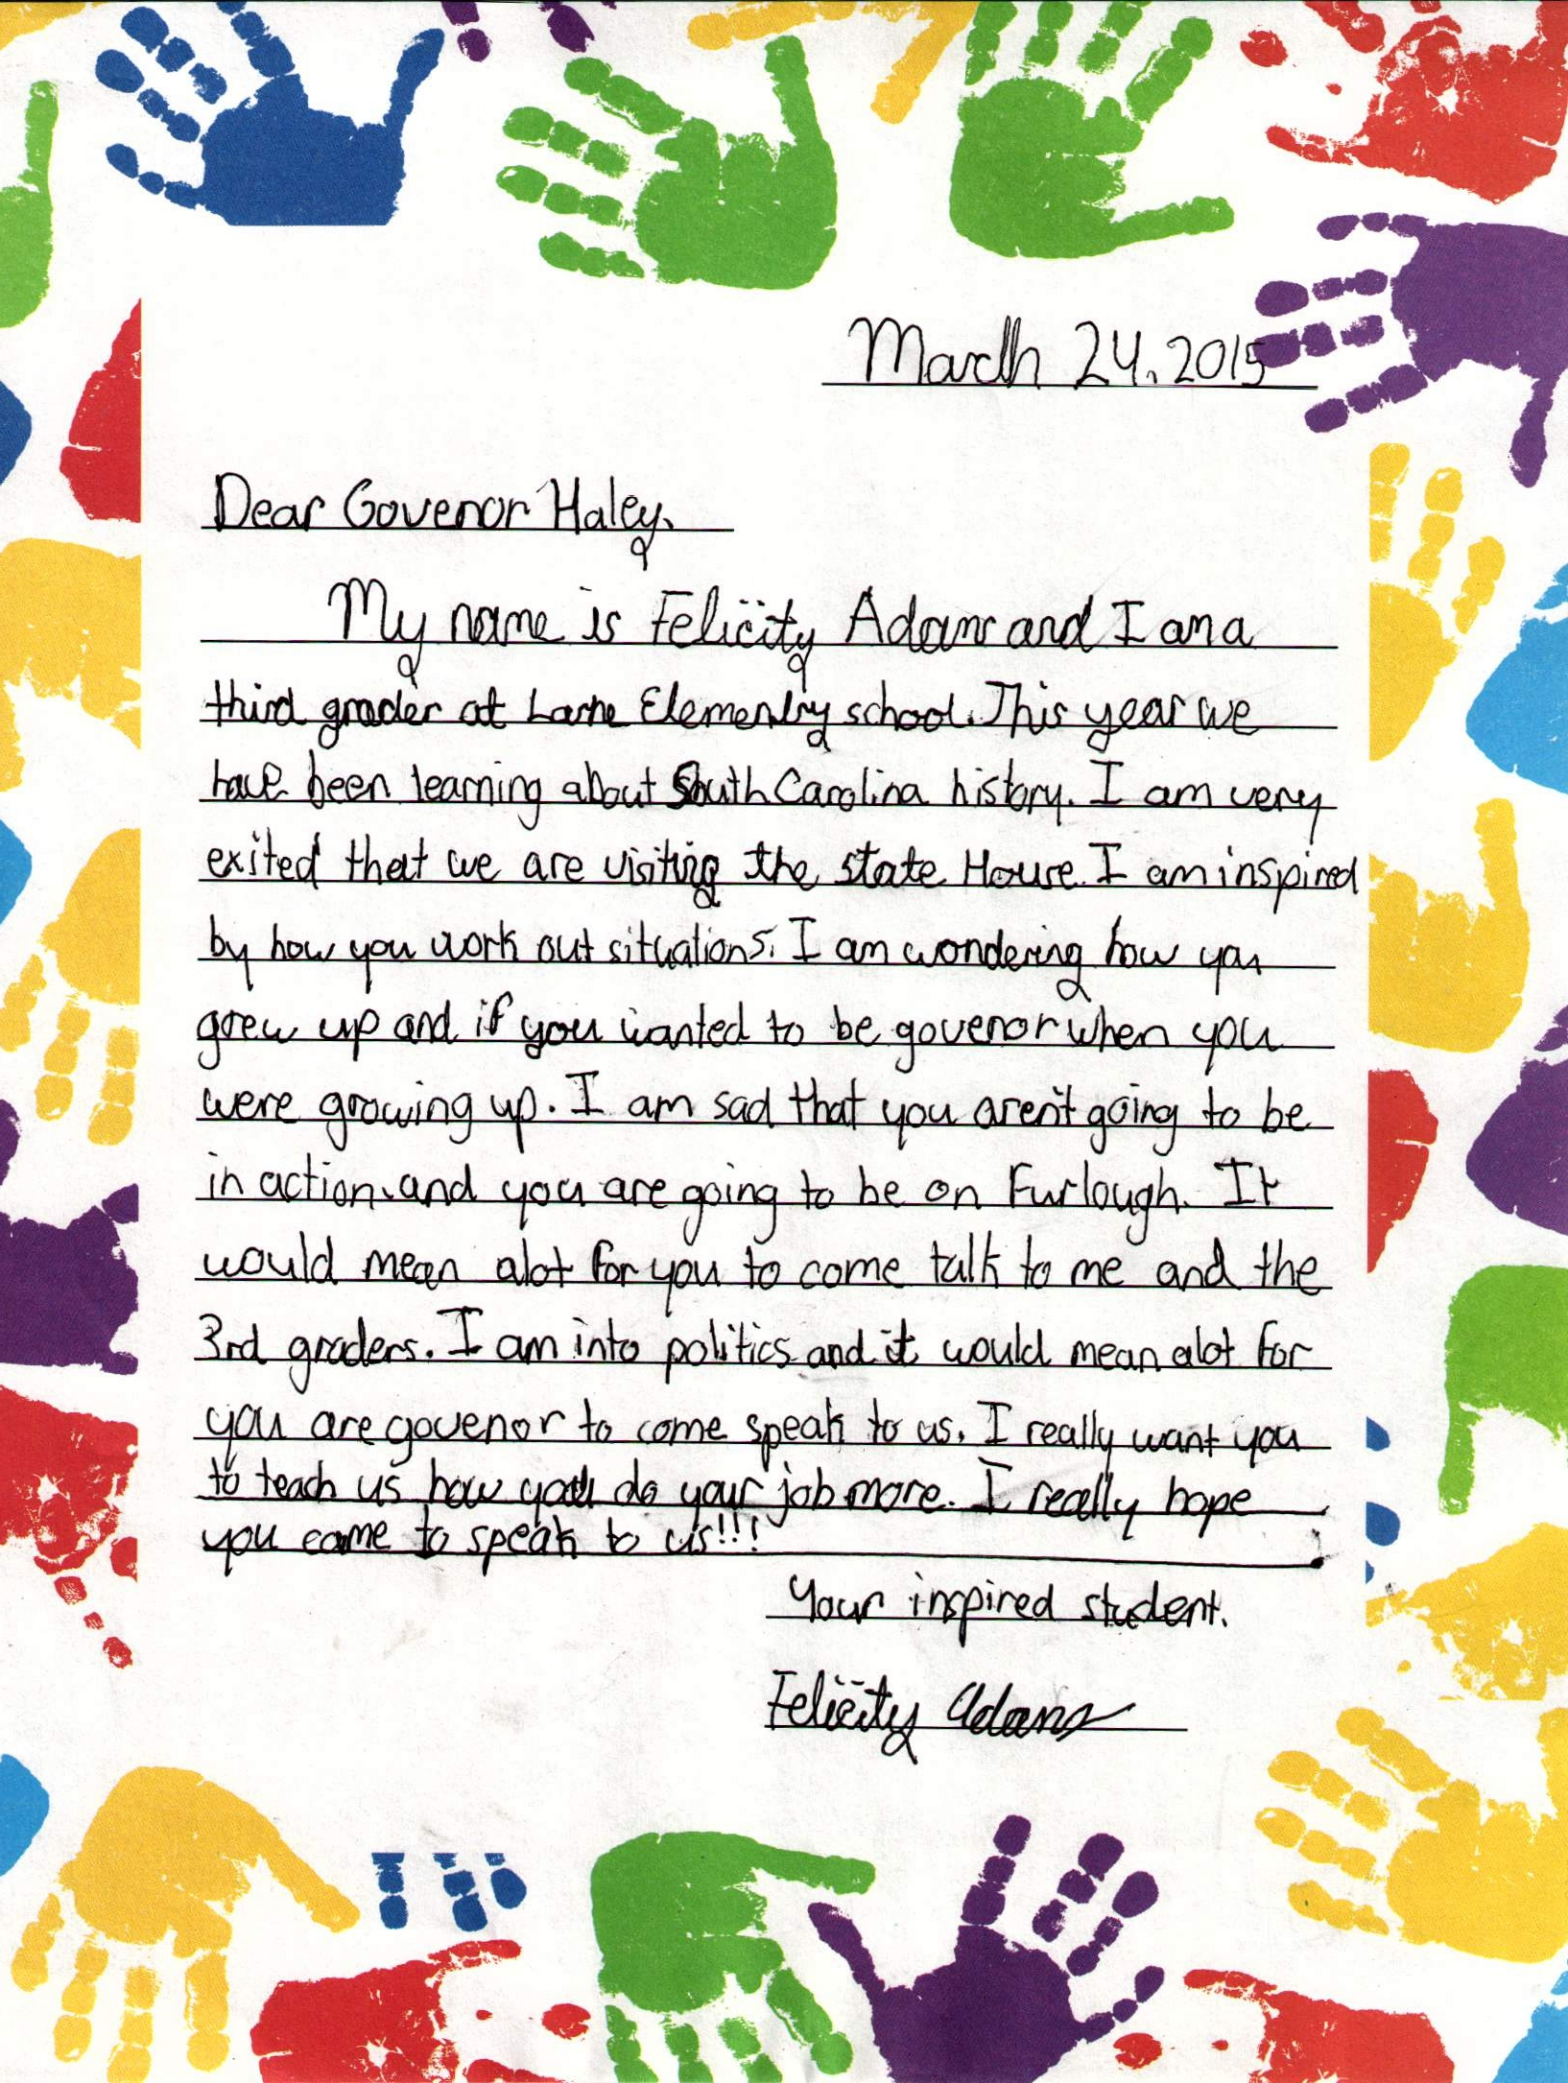

On April 8<sup>th</sup>, we will be visiting the state museum and State House. We were hoping to see all that we have learned about state government come to life. While we are still looking forward to seeing where state laws are created and debated, we were sad to hear that the week of our trip will be a quiet one at the State House.

We were hoping you would be able to spend some time with us speaking about your job as our state's governor. We will be at the State House from around 1:00 until 3:00 on the afternoon of April 8<sup>th</sup>. We have tours scheduled at 1:30, 2:00, and 2:30. If you were available to speak to us whole group or on our tours it would be greatly appreciated.

Sincerely,

Third Graders from Larne Elementary School

Dear Governor Haley,

My name is Felicity Adams and I am a third grader at Larne Elementary school. This year we have been learning about South Carolina history. I am very excited that we are visiting the state House. I am inspired by how you work out situations. I am wondering how you grew up and if you wanted to be governor when you were growing up. I am sad that you aren't going to be in action and you are going to be on Furlough. It would mean a lot for you to come talk to me and the 3rd graders. I am into politics and it would mean a lot for you as governor to come speak to us. I really want you to teach us how you do your job more. I really hope you come to speak to us!!!

Your inspired student,

Felicity Adams

Dear Governor Haley,

My name is Mattie Johnson and I am a third grader at Larne Elementary in Clover SC. On April 8<sup>th</sup> we are going on a field trip to the State House. I was really hoping to see the representatives and senators at work but I hear they are on furlough. It would really be exciting if you would come out and talk to us. It would give me a chance to learn more about government and also to meet you. I have a lot of questions like what inspired you to be governor and what process you have to go through to be a governor. This might inspire me to be a governor one day. It would also be an honor to

meet the governor of our state.

I have learned in Social Studies  
that you are in charge of the  
Executive Branch. This will also  
give me a chance to learn more about  
that. I really hope that you will  
come out and talk to us.

Dear Governor Haley,

Hi! My name is Brett. I was really  
excited to see the government and how  
they worked. And when I heard the government  
was on for 109th the week we're there, I was  
pretty disappointed because I wanted to learn  
more about the legislative branch, the executive  
branch (you) and the judicial branch. I  
would be pretty interested if you came to talk  
to us. If we're really lucky, you can bring  
a senator or representative if you came.  
A lecture sounds like fun!
