**RE: A PRAYER OF REPENTANCE ON GOD'S TERMS THAT WOULD INITIATE A NEW BELIEVER'S SURRENDER TO JESUS MAKING HIM HIS/HER LORD AND SAVIOUR AND MARK THE BEGINNING OF THE NEW BELIEVER'S ETERNAL INTIMATE RELATIONSHIP WITH JESUS, THE MESSIAH, THE KING OF KINGS AND LORD OF LORDS.**

To All Believers and Still Non-Believers who have Received and Considered God's and my prior "*Killing Rob Wauro: A Christian Apologetics Report*" Messages to You:

I "**INFINITY PERCENT**" GUARANTY THAT ONCE YOU HAVE READ THROUGH THIS FINAL "*Killing Rob Wauro Christian Apologetics Report*":

**YOU WILL BE POTENTIAL ALL-SEEING AND ALL-KNOWING SAGES!**  
AGAIN, ALL THANKS BE TO GOD!

YOU WILL KNOW AT LOT MORE ABOUT THE TRUTHS AND FACTS OF THE PAST, THE PRESENT, **AND EVEN THE FUTURE!** ALL THANKS BE TO GOD!

IT WILL BE UP TO YOU INDIVIDUALS TO DETERMINE YOUR FATE!

THE ONLY SANE OPTION FOR YOU TO CHOOSE IS TO BELIEVE IN CHRIST WILL BE CRYSTAL CLEAR!

The purpose or intent of this message and the prior sent messages is four-fold:

1) To inform you of how God has been using / working with me for the past almost six years (since the start of my new life as a divorcee) on an absolutely incredible – what I personally call my "surreal ordeal" – but perhaps how should be more definitively stated as a my privilege to participate with God in His current, marvelous, multifaceted, timely and ironic two-fold mission to continue to: a) expose and eradicate the current, existing rampant lawlessness and a multitude of national scandals on this country – and many other countries – by specific, named "evil" people that are threatening the survival of our God-Ordained Constitutional Republic, the United States of America and other countries; b) graciously continue Jesus' Great Commission to spread the Gospel

Message of Salvation to not just the associated perpetrators of this ongoing, recently-exposed lawlessness, but also to any all those who either have not heard and understood the Gospel Message of Salvation, or have foolishly ignored it (and who are thereby jeopardizing their current relationship with God, if in deed there remains any personal relationship between they and God at all!), or have outright rejected their relationship through foolishly choosing to live in their base, damning, root SINFUL PRIDE STATE instead. As C.S. Lewis aptly stated, "Pride is the darkest of all sin, since from it spawns all other sin."

2. There is no greater desire of God's and mine than to see you who do not truly know Christ, really "heard" the Gospel Message or have back-slided out of their past relationships with Christ, than for they to accept Christ's offer of salvation and establish / re-establish their eternal relationships with Christ as their King, Lord and Savior so that He can work at perfecting you to be the individuals He has intended you and them to be.

3. To have this ultimate good (the Mercy of God) to be accomplished, you will have to face the Justice of God (God's continual "perfecting process" making each of us an ever-improving reflection of Jesus and who He is, so that we become his brothers and sisters, co-heirs with Him) first and it will cost you dearly – as I know from my firsthand experiences with God. Remember, God cannot and shall not acquit the guilty (the Justice side of God). That is why Jesus had to be offered as the ultimate sacrifice (God pays the penalty in our place) for the forgiveness of the past, present and future sins of every individual person who ever lived and who is yet to be born. I am going through this same often painful, often encouraging process myself. This keeps my deadly sinful pride from surfacing and threatening my personal, "born again" relationship and thus putting in jeopardy my very eternal salvation!

4. **God makes His offer to you for you establish your essential, lifelong relationship with Him**, strictly on His terms alone, as the sole, only Lord of your lives, **as SIMPLE as can be; that is, it would take only 15 minutes to restore your relationship with Him**. But again it is up to you to decide for yourself to either accept or reject it (and God Himself). The sooner you submit to God's authority as your sole King, Lord, Master, Defender / Advocate, and of the many other of His names and responsibilities / obligations that He has freely offers you and shall/cannot fail at fulfilling to each of us, the better off for you for this earthly life and your eternal life. On the other hand, the longer you delay in accepting Christ's offer on His terms, the more He will have to break you down. He does this for everyone. The bible says "God is no respecter of persons," and scriptures

say "God shall not acquit (forgive, pardon) the guilty." He treats everyone the same. He has been and currently is doing this to/for me right now! He wants to perfect us in order for us to rule with Him in heaven. I am glad He is doing this to me or my pride would spell my eternal doom. (Again, a word of caution, do not "harden your heart" against personally hearing and receiving this -- God's vital, loving and gracious message to you).

To All New Believers of God's Target Audience:

**GOD'S SIMPLE, STEP-BY-STEP PRESCRIPTION FOR ETERNAL SALVATION HE OFFERS STRICTLY ON HIS TERMS TO ANYONE WHO WANTS TO MAKE JESUS THE LORD OF THEIR LIVES:**

1. You must truly want to make Jesus the only Lord of your life on His Terms only, with all your "heart, mind, soul, and strength." You have come to the point that you realize you cannot possibly satisfy the insatiable needs, desires / wants you have by your own doing and efforts. You realize that it is your sinful pride, "the darkest of all sins since from it spawns all other sins," is condemning you to hell. You want this to stop immediately.

2. After making your sincere decision in #1 above, pray this simple prayer of repentance:

"Dear Lord Jesus, I confess to you that I am a sinner who deserves to spend eternity separate from you, in hell, as my conscience now makes me realize, and as the scriptures you have graciously given me (That is, the beginning of my "*measure of faith*" you have given me) show me. I know from Your Scriptures that you claim to be:

- a) Almighty God in the Flesh,
- b) The very Word of God (the Scriptures themselves! This is a mystery to all your potential children / all the people of the world, but that I accept as true.),
- c) Wonderful Counselor,
- d) The Prince of Peace,
- e) The Great "I Am" (another mystery),
- f) You are part of the Triumvirate, Tri-God Head; the "Three in One God" along with The Father and the Holy Spirit,
- g) You are my Avenger, Great Physician / Healer,

**Robert W. Wauro**

**Phoenix, Arizona 85023**

**Cell: 602-529-0498**  
**Email: [rwauro@yahoo.com](mailto:rwauro@yahoo.com)**

h) You are my sole Advocate and Intercessor Who Pleads to The Father to forgive my sins past, present, and future;

i) I am a Co-Heir with You; that is I am now your co-equal brother / sister with You, and you want me to share in your infinite Inheritance from the Father, as you are the Son of God the Father.

j) Thank you for graciously and freely giving up your throne in heaven to become a man, being born in extreme poverty, enduring unimaginable abuse, humiliation, pain, especially being crucified on the Roman cross, becoming my very sin sacrifice (a mystery), descending to hell with all of its associated emotional, spiritual and real physical pain, rising from the dead as a promise that I will rise from my otherwise own certain eternal death (That is; if You did not rise, then no one would have hope of eternal life in heaven with God). All this has been fulfillment of over 300 Messianic Prophecies, that you have graciously shown me in order to increase my measure of Faith in You.

k) I now want to surrender to you and I ask you to become the Lord of my life. I want to thank you, praise you, walk with you daily. I desire to faithfully conduct myself according to the moment-by-moment direction The Holy Spirit gives me in order to "perfect" me more and more to be a reflection of who you are. Thank you Lord Jesus! Praise your Holy Name!"

*~ END OF YOUR PRAYER OF REPENTANCE ~*

3. Per Roman's 10: 9-15, you must then "...confess with your mouth Jesus as Lord, and believe in your heart that God raised Him from the dead, you will be saved; for with the heart a person believes, resulting in righteousness, and with the mouth he confesses, resulting in salvation. For the Scripture says, 'whoever believes in Him will not be disappointed.' For there is no distinction between Jew or Greek; for the same Lord is Lord of all, abounding in riches for all who call on Him; for whoever will call on the name of the Lord shall be saved."

4. Congratulations! You now have started your amazing life with Jesus as your only Lord and Savior. You now are a "born-again" believer as Jesus specifically said to Nicodemus everyone who enters heaven must become (See the bible passage I have included).

5. After you have prayed this Prayer the Holy Spirit will give you specific instructions to help you increase your faith and give you the knowledge and strength you need as part of your "perfection process." God promises you that "He shall be with you always (in deed in any good or evil circumstance), ...not exposing you to anything you cannot bear (He will give you the talents, abilities, strength, He shall literally carry you through any fearful or other daunting circumstance to ensure your success) ...He has only plans to prosper you, not to harm you, plans to give you a hope and a future."

5. You now must start your daily "Walk with God" to expand your born-again, personal relationship with Jesus by sincerely trying to faithfully carry out the specific acts of repentance the Holy Spirit shall impress upon you to faithfully do.

6. You must start reading or hearing the entire bible, the Word of God, in order for you to increase your knowledge of – and your faith in – Who God Is, what He is wanting you to know / learn and do on a daily basis. "Faith comes through hearing the Word of God;" Without faith it is impossible to please God."

LORD OF THEIR LIVES ~

#### **To All "Still" Non-Believers of God's Target Audience:**

Perhaps you have not seriously considered or even read – and thereby have not adequately "heard" the Gospel / Salvation message as it applies to your "world views" – the prior "*Killing Rob Wauro...*" mailings you had received? If this is the case **let's briefly review the following facts about Christianity, God, the Messiah Jesus, conveyed in these messages, how your current, individual, specific belief system – and your inevitable, resulting life course -- misses the mark and suggestions for resolving these problems** (aside from actual repentance, for now):

1. Generally and absolutely **you are guilty of deadly Pride Sin instead of reverence of God** and you currently have chosen to separate yourself from God. "So this I say, and affirm together with the Lord, that you walk no longer just as the Gentiles also walk, in the futility of their mind, being darkened in their understanding, excluded from the life of God because of the ignorance that is in them, because of the hardness of their heart; and they, having become callous, have given themselves over to sensuality for the practice of every kind of impurity with greediness. But you did not learn Christ in this way, if indeed you have heard Him and have been taught in Him, just as truth is in Jesus, that, in reference to your

former manner of life, you **lay aside the old self**, which in the likeness of God has been created in righteousness and holiness of the truth. **"Therefore, LAYING ASIDE FALSEHOOD, SPEAK TRUTH EACH ONE OF YOU WITH HIS NEIGHBOR, FOR WE ARE MEMBERS OF ONE ANOTHER.** Be angry, and yet do not sin; do not let the sun go down on your anger, and **do not give the devil an opportunity."** (Ephesians 4:17-27. **A MESSAGE TO ATHEISTS**);

**2. GOD EXISTS**, in part as is evidenced by the following facts:

- A. Only a god can accurately, 100 percent of the time, predict the future as God has shown through what as is written in the Old and New Testaments.
- B. These prophecies have not been made or attributed to just a single "prophet" (so that the prophecies can be attributed to this person alone and not to a god), but by a myriad of them.
- C. God's 100 percent accurate prophecies constitute one third of the entire the Old Testament, the Hebrew Scriptures. See the attached 365 Messianic Prophecies and the further facts reviewed below.
- D. **The fact that these accurate prophecies exist clearly shows the Divinity exists and that the writings – the Holy Scriptures -- are directly from and dictated by Him.**
- E. The remainder of the Bible – Old and New Testaments – are accounts of the history of the believers in God, Hebrew, Egyptian, African, Greek, European, Asian, other Semitic people, historic events they experienced, etc..
- F. Archeological evidence shows the accounts are accurate as well.
- G. **Suggestions: Read Bill O'Reilly's Book, "Killing Jesus" and see the movie, "Resurrection" since all of the unbiased, evidential research, and "fact-checking" has already been done for you.**

**3. JESUS IS GOD**, in part as is evidenced by the following facts:

- A. The aforementioned prophecies absolutely prove that Jesus is the Messiah and many prophecies state that the Messiah is God Himself (for example, Isaiah 9: 6,7 that one of His names is "Almighty God" )(Isaiah 9:6,7).
- B. FYI: Another name for the Messiah is that Jesus is "The Word of God." (This is a mystery, of course.)
- C. As Jesus claimed, He was sent from God to fulfill the two roles / purposes as defined in the "Holy Scriptures" (both the Old and New Testaments of any canonic bible translation): 1) to be the unblemished "Lamb of God," the Ultimate, Final Sacrifice, Who takes away the sins of the world; 2) to be the "King

of Kings and Lord of Lords," the "Eternal God" and "Father Forever" over all that exists and that He created – tangible, intangible, and unimaginable.

D. FYI: While not evidence per se, but from the aforementioned fulfilled prophecies that state the Messiah is God, Jesus also stated the following:

1). "I am The Way, The Truth and The Life. No one comes to the Father but through Me." (John 14:6);

2). "Enter the Kingdom of Heaven through the Narrow Gate (referring to Himself); for the gate is broad that leads to destruction (referring to unrepentants' stubborn, deadly base pride-sin) and there are many who enter through it. For the gate is small and the way is narrow that leads to life, and there are few who find it." (Matthew 7:13, 14);

3). "Not everyone who says to me, 'Lord, Lord,' will enter the kingdom of heaven, but he who does the will of My Father who is in Heaven will enter. Many will say to me on that day (Judgment Day), 'Lord, Lord, did we not prophesy in your name and perform many miracles?' And then I will declare to them, 'I never knew you. **DEPART FROM ME, YOU WHO PRACTICE LAWLESSNESS.**' *(How Timely and Ironic of Jesus' use of this specific word, "LAWLESSNESS," given the very thesis or subject matter of this entire apologetics report focuses on God exposing current lawlessness that He commands us to eradicate, or He shall do it anyway! Would not you or any reasonable person agree with this obvious observation? HMMMM?)* Therefore everyone who hears these words of Mine and acts on them, may be compared to a wise man who built his house on the rock...Everyone who hears these words of Mine and does not act on them, will be like a foolish man who built his house on the sand...and great was its fall." (Matthew 7:21-27);

4). "God is spirit, and those who worship Him must worship in spirit and in truth." (John 4:24);

5). "No one can serve two masters (self, Satan, some other object of worship, even another religion, or the one true God); for either he will hate the one and love the other, or he will be devoted to one and despise the other. You cannot serve God and wealth (or any other master)." (Matthew 6:24);

6). "What does it profit a man to gain the whole world, and forfeit his own soul?"

#### 4. Agnosticism, Amoralism, Atheism, Humanism, Progressivism:

**Fact #1: Natural selection, the fossil record does not support macroevolution. You have acknowledged this truth among yourselves, but you continue to spread the myth that it does through your lying and deceptive vehicles mentioned below and defined after Section 4 "Words to Live By" in my 01MAY16 Apologetics Report: "The Dialectic Method," "Omni Marxism," "Parincitement," "Public Opinion Management" or "POM."**

Fact #2: You all are living a lie. You deny the obvious, fundamental truth that God Exists. Your "faith" is truly a fact less, blind myth; something you accuse people who believe in God. ¶f.

Suggestion #1: Review Section #4 and the subsequent scientific data excerpts so that you may "know the truth and the truth shall set you free!" But "can you handle the truth?"

Suggestion #2: Take **JESUS' OWN "WORLD VIEW"** for it: "You shall love the Lord your God with all your heart, soul and mind. This is the greatest and foremost commandment. The second is like it, 'You shall love your neighbor as yourself.' " (i.e. "All men are created equal." Sound familiar?) (Matthew 22: 37-40);

Suggestion #2: Take Jesus' words for it:

- 1). "...whoever wishes to become great among you shall be your servant, and whoever wishes to become first among you shall be your slave; just as the Son of Man (Jesus) did not come to be served, but to serve, and to give His life a ransom for many." (Matthew 20: 26-28);
- 2). "...But many who are first will be last; and the last first." (Matthew 19: 29-30).

## 5. Authoritarianism:

A. Authoritarianism is a manifestation spawned from the MYTH of the Atheistic world view and Natural Selection hypothesis that "all men are NOT created equal," that some individuals are entitled to rule over and have dominion over "lesser" individuals, as they see fit "for the good of the collective society and not for the good of the individual" (again only in these authoritarians' opinion). This is absurd, circular reasoning and the results are and have been shown to be abhorrent. The rulers are justified in even committing harm and atrocities, as they see fit "for the benefit of society as a whole." Human history universally shows that Authoritarianism yields: collapses of entire nations economically, socially, morally; genocide; mass lawlessness and crime. Authoritarianism at a national level is currently manifested in those **Elite Think Tanks, Environmentalism. Political Correctness** that show a clear patterns of deceptive anti-constitutional intent to divide the electorate and achieve their objectives of gaining actual dominion over the American and other nation's citizenry.

Robert W. Wauro

Phoenix, Arizona 85023

Cell: 602-529-0498  
Email: [rwauro@yahoo.com](mailto:rwauro@yahoo.com)

B. Conversely, relatively-speaking (i.e. no government system is perfect, as no individual's intentions/conduct is perfect due to our innate sin-nature), no such negative effects result or at least endure in "free nations" that uphold the notion "that all men are equal and are entitled to equal rights, responsibilities" under fair, impartial universal laws and legal system that applies to the collective whole.

C. Manifestations of Authoritarianism include the following government systems: Communism, Fascism, Socialism government system. Although these systems of government have been *futilely* tried and tried again and again in differing manners throughout human history, the results have been shown to be the same: absolute chaos, lawlessness culminating in collapse of the very society Authoritarians rule over, LOSS OF THE AUTHORITARIANS' ILLEDGITIMATE RULE, MASS MURDER! Question: Who the hell wants to be responsible and rule over this inevitability? How dumb is that? Comment: YOU AUTHORITARIANS NEED YOUR HEADS EXAMINED. SERIOUSLY.

D. Suggestions:

1). Please carefully review the attached medical information on "Mental Illnesses" and more specifically "Antisocial Personality Disorders" published by the Mayo Clinic.

2). Stop the socially- destructive, deviceful-, absolutely 100 percent contrived Atheist/Humanist ploys to attempt to take over and change the world for your *presumed* benefit and against the well-being of the global population that you say you seek to help, when in fact by your own admission you do not care about. You publically admit to routinely lying to your various constituencies in order to get them to buy in to your "expert" opinions so that you can execute -- piece-by-piece -- your *coup de grace*, establishment of your de facto, despotic government using your publically disclosed tactics like:

a) "**The Dialectic Method**," to obscure actual empirical scientific evidence,"

b) You arrogantly consider yourselves "**The Enlightened**." You as the enlightened individuals seek "Large-scale change," through "**Omnimarxism**," and "**Parincitement**," "**Public Opinion Management**" or "**POM**" deceptive ploys. The deviceful, false, and fraudulent crises you are actively touting to achieve this end are:

i) **Energy Conservation**. You falsely charge that the earth is quickly running out of current available energy sources, when in fact through scientific-developed technology discovered by the e-e-ev-i-i-l, risk-taker, ~~guy~~ Capitalist Corporations and their R&D teams, we

Email: [rwauro@yahoo.com](mailto:rwauro@yahoo.com)

now have ways of finding and producing various types of energy more efficiently and with less negative environmental impacts;

ii) **Environmentalism** (the fraudulent, environmental power-grab inciting false social fear and abandoning true scientific study and ignoring actual evidence as Dr. Moore so convincingly discloses, with the intimate "insider" experiences he has had with you);

iii). As Dr. Moore discovered from his studies of ice cores there is no proven scientific procedure or method or even the technological apparatus~~es~~ to reliably measure "climate change" – either "warming" or "cooling," since both conditions occurred during periods of high carbon emissions from various sources (lighting caused mass forest fires, industrial revolution, volcanic eruption, etc., etc.) – let alone the notion of human-causation.

iv). He in effect says you only offer the ignorant public incomplete, deceptive instantaneous "weather reports." For example on a Bill O'Reilly Factor show this past summer he interviewed some pro-global warming environmentalists, who of course again touted the melting glaciers in the Arctic region s proof of global warming; however, it took Mr. O'Reilly, to point out the coincident "inconvenient truth" of the record ice buildup in the Antarctic Region at the same time to the point that tens and hundreds of icebreaker barges are hopelessly trapped in the ice flows there until the ice flows eventually thaw during its summer! (Bill O'Reilly was just doing his job of "looking out for the folks" because "he is definitely on their side." clarified that to his audience when he interviewed some of your environmentalist peers last summer. ~~the~~

Halt <sup>v)</sup> **Political Correctness** with all of the Atheist brow-beating, name calling bull crap ;

ix) Supposed **Denied rights** of the populace that only your proposed large-scale changed government system can resolve (through corporate taxation and other methods that impede and kill off the small business entities that are in fact the "engines that drive any economy." Through their risk-taking "spirit of innovation" R&D);

3). Take Jesus' word for it: "Beware of the false prophets (current examples would be the deliberately deceitful authoritarians, politically-correct, atheists, humanists, or environmentalists, as described below),

**Robert W. Wauro**  
**14430 N. 19<sup>th</sup> Avenue #4**

who come to you in sheep's clothing, but inwardly are ravenous wolves. You will know them by their fruits... So every good tree bears good fruit, but the bad tree bears bad fruit... "Every tree that does not bear good fruit is cut down and thrown into the fire. So then you will know them by their fruits." (Matthew 7:15-20).

4). Current obvious examples of "bad fruit" include:

- a). The spreading of lies to divide the population thereby spreading lawlessness, inciting violence;
- b). "Brainwashing" the youth to adapt to these "ravenous wolves'" deceitful objectives in seizing control of the public schools (unconstitutionally creating the Department of Education, a Communist Rule for Revolution, in the first place); or
- c). Unlawfully, unconstitutionally attempting to seize dominion over the populace [various "think tanks," United Nations and World Court being touted as legitimate ruling bodies, the existence of the IRS and NSA], etc.

**5. Christian Church Failure of Its Obligations to Serve the Needy and the Lost's best interests:**

A. As I reported in my 01MAY16 "Killing Rob Wauro" apologetics report, Bishop T.D. Jakes' televised Holy Week message was on a totally atypical, unusual topic for Holy Week: The Believer's duty is to faithfully and unfailingly carryout her/his God-Ordained, God-Designed purpose in life regardless of any circumstance the believer finds himself in at the time; No "ifs, ands or buts!."

***THEREFORE, THERE ARE NO EXCUSES FOR ANY OF US TO BACK DOWN, BE DERELICT OR OTHERWISE FAIL TO ACCOMPLISH OUR DUTIES AND MISSIONS, REGARDLESS OF THE CIRCUMSTANCES. (EVEN "BUSY" SCHEDULES).***

B. Appeal to the Roman Catholic Church and Pope Francis to:

- 1). Meet privately with Mr. Bill Gates to learn more about his lifelong expertise and knowledge of the benefits and essential contributions unfettered Capitalism can make toward serving the absolute best interests in improving the health, quality of life of the poor, underprivileged. As Mr. Gates mentions in his white paper report, "*Making Capitalism More Creative*," governments cannot and are not motivated to possibly accomplish eliminating poverty and disease without the vital contributions of capitalists of all kinds and in all social, scientific, financial, educational, etc. fields. Government

interventions have proved to be absolutely ineffective in improving the status and wellbeing of the impoverished in the United States and throughout the world. This is evidenced in the 1960's American Socialistic "Great Society" and the current "Progressive," unconstitutional failed eight-year long, ten trillion dollar programs of President Obama's and Hillary Clinton's intended to eliminate poverty in the United States. Trillions upon trillions of dollars were wasted over decades with no effect and with soaring crime, unemployment, social unrest, etc. In fact there has not been one ameliorating accomplishment to note.

2). Hold scientific symposia to present evidence from actual scientists and not political bodies and institutions to once and for all resolve the current impasses regarding issues only science can address: global warming (which the progressives refuse to even debate on), world piece (unachievable until Christ returns) at the expense of individuals' rights to due justice freedom, pursuit of happiness, etc. being usurped from them.

C. I feel I must now stress the importance in us faithfully dispersing my apologetics report to the lost, uniformed target audience that God wants to reach. Our "sacrifice" in doing so is minimal, albeit with some monetary and time costs. However, as you and I know, God will more than compensate each of us as we faithfully carry out His mission.

**D. Per Ezekiel 45:1-5 "Support For Those Who Minister", this includes missionaries and ministers of the gospel, which includes me:**

**1). I am repeating my urgent request for your financial support:** I have requested of you, the Body of Christ, the Church, also to distribute my apologetics report to your more affluent contributors asking them to prayerfully and obediently compensate/contribute to/donate to me financially as God impresses upon them. Please do not fear that your ministries will then receive less financial support from them, as the "money pie" does not have a fixed diameter! This is true in both the "real world" and in God's economy. **Above all, do not deny these enablers the awareness of and the opportunity to participate in this vital endeavor and share in the untold rewards God will bless them with.**

**2). I have also requested of you, the Individual and Corporate Philanthropists, your significant monetary contributions/donations/giftings (i.e. checks/cheques) be sent to me as soon as possible.**

3). Please, let me assure you all that I and am more than willing to consider any contingencies or requirements you have prior to your sending me your checks in the amounts God lays on your hearts to contribute. So please do not hesitate to email me your conditions, questions, concerns. Thank you.

4). As I have mentioned before and as you well know, "you just cannot out give God." This fact is evident in the tremendous monetary position God has blessed you with.

5). This is also true for generous non-believers; for example the Saudis and Kuwaitis. As scripture says, "God is not a respecter of persons." Every one of his potential children is considered equal in His sight.

6). **The bottom line is: YOU OWE ME! You cannot deny this! Period! Sorry! (Please excuse my Canadian-speak)**

6. **Christian Heresy** (False representations of Christianity within The Christian Church)...

**A. THE ALL-TOO-OFTEN OCCURRING HERETICAL PHILOSOPHIES DEVELOPED BY THE ROMAN CATHOLIC CHURCH AS A WHOLE OVER ITS HISTORY IS AND HAS BEEN TO THIS DAY VERY SIGNIFICANT AND DISCONCERTING TO ME.**

Please let me explain. Almost immediately after hearing and being taught from the Holy Spirit and **UNDERSTANDING THE GOSPEL MESSAGE OF SALVATION (as solely through Christ's ultimate, once-for-all time sacrifice for atonement of all of my sins past, present and future and THAT JESUS IS OUR SOLE INTERCESSOR GIVING US UNINHIBITED, UNFETTERED DIRECT ACCESS TO THE FATHER; "WE ARE OUR OWN KINGS AND PRIESTS IN CHRIST JESUS.")**. It was the indisputable, verified evidence of fulfillment of the myriad of Old Testament Messianic Prophecies concerning the circumstances surrounding the death and resurrection of Jesus Christ (See the attached one-page list of fulfilled "*Prophecies Concerning the Death of Christ*") that convinced me of my need to make Jesus the Lord of my life. After I became Born Again as a seventeen year old, as I simply read through the Bible for the first time, the Holy Spirit prompted me to address some the obvious heretical stances of the Roman Catholic Church that I was raised in holds firmly to. FYI: This happened again after I graduated from College, and most recently in 2012 while on this ongoing "surreal ordeal" where I again read through the complete Bible for the second and third times in my life; that is **THE HOLY SPIRIT AGAIN URGED ME TO ADDRESS TO MEMBERS OF THE RC CHURCH HE THEN PLACED IN MY LIFE.** The

simple questions I had to each of them, that -- still -- I have not yet received adequate explanations for, are why the RC Church hold to these obvious heresies:

1). Regarding RC Holy Communion Philosophy / Dogma. The RC Church's interpretation is that during the priests' offering of Holy Communion the (*symbolic* – my position) host/bread and wine are *actually transformed* into Christ's *actual* Body and Blood, rather than the truth that these elements are *representative* only due to the following facts:

- a) Jesus' dying words were, "It is finished."
- b) Jesus initiated the practice and command to his disciples to offer Holy Communion at the Last Supper while He was alive and *before* His crucifixion when His Body was actually sacrificed and His Blood was actually split for our salvation;
- c) Paul's multiple affirmations of Jesus' one-time sacrifice -- and definitely not perpetual sacrifices -- for the remission of sins in Romans 9:15-10:18. See the attached complete excerpt.
- d) **My question to these officials (a Priest, a Deacon, and a Theologian Priest) was SIMPLE: "From the original text, what the correct meaning of the word "is" is in Jesus's statements that 'This IS My Body...This IS My Blood...Do this in remembrance of Me.?' [Luke 22:17-20]. (Apparently President Bill Clinton and I actually can agree on something! How IRONIC!)**

2). **Why has the Church included the notoriously contradictory apocryphal books that were written from 300-30 B.C. in its version of the bible -- and this only after Martin Luther's posting on the door of his town's basilica his famed 99 challenges to the RC Church's dogma? Was their intent to fraudulently and deceitfully suggest to their largely illiterate and uniformed congregations that "bigger must be better?"**

3). **Why does the RC Church still cling to its *absolutely absurd* "Pantheon of Patron Saints" Philosophy / Dogma? It is quite evident that Popes over the centuries arbitrarily assigned "saints" or even**

angels various intercessory roles based on *specific earthly occupations* who the Believer can pray to request the "saint's" intercession to God on their behalf (i.e. "Put in a good word for me.") What is even more outrageous is that these Popes even assign these "saints" or angels to serve **ANIMALS!!!!** Yes, you got it: "*They have gr-r-r-reen alligators and lo-o-ong-necked geese, monkeys and camels and chimpanzees, cats and rats and elephants to choose of your own, but the lug-u-vliest of all is the U-u-u-ni-i-i-corn!?!?!?*" You name it. Don't get me wrong, I realize and am empathetic to the circumstance the Owner of a sick animal would be in; how disheartening it must be – let alone potentially life-threatening – to have to face and act in order to have the animal cured and the problem resolved. But that is beside the point. Please read on.

**THIS ABSURDITY IS EQUIVALENT TO SLAPPING CHRIST'S FACE, PLUCKING HIS BEARD, SPITTING ON HIM, RIDICULING HIM AND HIS ORDAINED POSITION AS THE SOLE INTERCESSOR BETWEEN GOD AND OURSELVES! He neither asks for nor needs any help in perfectly performing this sole God-ordained intercessory role of His.** This is absolutely an absurd notion / idea, isn't it? For example, did the Pope at the time ever ask Archangel Michael for his permission to serve as Patron Saint (?) / Patron Archangel (?) of "Grocers?" You'd probably figure that Archangel Michael would have refused the Pope's offer responding that he is "previously disposed" and extremely too busy performing his current, full-time God-ordained role and duty as the warrior angel constantly combatting the devil's and his fallen angels' attempts (as far as God permits Satan and his fallen angels to act.) to deceive, tempt, and lure us away from the truths of Scripture and possibly fall for his lies that would spell our eternal doom and eternal separation from God in the afterlife -- just as Satan personally attempted to inflict on Jesus while they were alone together in the wilderness and in Jesus' extremely weakened physical, mental and emotional states, just prior to the start of Jesus' ministry on earth, wouldn't you?

The first priest could not / would not give me an answer to any of my questions and in fact promptly ended our correspondence. My aunt, fearing I had joined some cult arranged for this priest to

"rescue" me. In all fairness to my aunt, my conversion occurred at the same time a Tucson-based cult was in the news that their members were selling off all of their possessions, quitting their jobs, believing they all would be raptured up to meet Jesus in the clouds of heaven on a particular day despite the obvious fact that per Jesus, "No one knows the day or the hour (of the Rapture), not even the Son of Man, but only My Father in heaven."

**The deacon**, a then co-worker of mine, tried to justify the perpetual viewpoint of Holy Communion by saying "God calls Himself 'The Grate I Am;' therefore He always acts in the present; therefore Communion is perpetual" What a stretch of logic, wouldn't you say? We never did get around to addressing my two remaining questions.

My mom and I met with **the theologian** in his office. Regarding Holy Communion, the theologian priest stated "While Jesus' sacrifice is a one-time event — not perpetual — the purpose of Holy Communion as offered by a RC priest is to bring the participants back in spirit to Christ's original sacrifice on the cross." Translation: Christ is to be perpetually offered as atonement for our sins. Holy Communion to be valid is to be performed by a RC priest. **He could not answer my other questions; ESPECIALLY WHAT THE DEFINITION OF THE WORD "IS" IS FROM THE ORIGINAL TEXT, WHICH HE SHOULD BE ALL TOO FAMILIAR WITH; I MEAN THIS IS BASIC STUFF!** Elementary, my dear Watson.

**B. I feel it is as Pastor Creflo Dollar said, THIS IS A CHURCH'S HERETICAL PHILOSOPHY, BASED ON PRIDE AND AGAINST THE SIMPLE TRUTH IN THE HOLY SCRIPTURES. THIS HERETICAL PHILOSOPHY MUST BE IMMEDIATELY ENDED BY THE RC CHURCH POPE FRANCIS OR ELSE CHURCH HIERARCHY MAY PAY A DEAR PRICE AS HAS OCCURRED IN OTHER CHURCHES AND AS CEFLO DOLLAR TEACHES IN "IRONIC AND TIMELY EVENT #5" above. See 01MAY16 "KILLING ROB WAURO..."**

**C. Per Dr. Creflo Dollar's Ironic and Timely Message on Heretical Practices that can easily result without due diligence, or appropriate oversight that I conveyed in my 01MAY16 "Killing Rob Wauro" apologetics report**

Another televangelist, Pastor Creflo Dollar, has a weekly-airing show on the Trinity Broadcasting Network that I just discovered while "channel-surfing." His ironic and timely Holy Week message was a warning to the Church as individuals and as a corporate body not to become complacent in our walk with Christ. He warned that as life "happens," people tend to develop their

own philosophies or ways they approach life in general anyway. REGARDING OUR WALK WITH CHRIST HOWEVER, THE DANGER IS THAT THESE PHILOSOPHIES EASILY MAY BECOME EXAGGERATED, SKEWED OR EVEN HERETICALLY INCONSISTENT WITH AND CONTRADICTING THE TRUE PRINCIPLES CONTAINED THE HOLY SCRIPTURES; for example, legalism, "sugar-daddy" prosperity, forced submission to strictly follow to a particular over-emphasized scripture verse (instead of the properly considering the overall context of a particular scriptural truth), OR EVEN ADDING VERSES TO OR IGNORING THE OTHER CONTEXTUAL VERSES CONTAINED IN SCRIPTURE. THIS RESULTS IN NEEDLESS CONFLICTS OF MEANING THAT IN TURN POSE FALSE QUESTIONS AND DOUBTS AS TO WHETHER A PARTICULAR SCRIPTURAL PRINCIPAL IS VALID AT ALL! PASTOR DOLLAR THEN FOCUSED HIS MESSAGE ON THE SERIOUSNESS OF THIS AND GOD'S DISDAIN FOR THESE HERETICAL PHILOSOPHIES by quoting the following God's stern warnings for what the Church members have done (the complete quotations are found above in "SECTION #4: WORDS TO LIVE BY:" namely, Proverbs 30:5,6, 1 Thessalonians 5:21, Philippians 2:12-13, Psalm 19, Hebrews 10:23-27. Please review pages 21 through 32 of my 01MAY16 "Killing Rob Wauro" apologetics report.

**D. Suggestions to the Christian Churches which are guilty of heretical practices:**

#1: Take the Holy Scripture's word for it:

- 1). "EVERY WORD OF GOD IS TESTED;...DO NOT ADD TO HIS WORDS OR HE WILL REPROVE YOU, AND YOU WILL BE PROVED A LIAR."  
(Proverbs 30:5, 6.);
- 2). "Test everything, retain what is good and discard the rest;"
- 3). "God will treat your good works as filthy rags" if you do not conduct yourself based on His direction but as an "alternative" to His will.

#2: You cannot rely on your infant baptism or your confirmation ceremony or any posthumously-administered "final rights" for your salvation since they are actually heretical practices contrary to God's plan He defines in scripture. The intent of baptism is for it to be a public testimony of the individual believer's new-found faith – his "born-again" status – in Jesus, confirmation /witness of the individual's decision to make Jesus his Lord, Master and King, and his rejection or "death" of his prior prideful sin state. Baptism is also a poetic, symbolic expression of "the death of the old man and the rebirth of the new man. (i.e. one becoming "born again") as Jesus requires in his dissertation He gave to Nicodemus in John 3: 1-21. Please read this passage.

- #3: I challenge Pope Francis and the Vatican hold "Vatican Three" to completely eliminate the Roman Catholic Church's obvious heretical practices, "sacraments," and the like.
- #4: The Roman Catholic Church hierarchy must acknowledge the fact that 40 percent of American Catholics do NOT believe that the Eucharist offered at Mass by priests, bishops, cardinals, and even your Holiness is Christ's actual body, but -- as virtually every other Christian Denomination believes -- it represents Christ's Body. So how do you deal with these millions of Christian believers? Either the Church stops its heresy or it excommunicates these believers. Right?

7. **Christianity and Judaism:** It is important to note the following:

A. Christianity is completely different than any other of the world's religions, cults, and faiths in that its Head, **Jesus Christ, Himself, claims to be none-the-less than God The Father Almighty.** Jesus said to His disciples, "Why do you seek to see the Father? Whenever you see Me, you see the Father." No other religious leader ever claimed this -- or at least could they justify such a claim -- as Jesus is able to do.

B. **Christianity is not a "blind faith" but is based on historic evidence, including eye-witness accounts from Jesus' HOSTILE EYEWITNESSES in their Hebrew and Roman written manuscripts / engravings, archaeological artifacts, and from 100%-accurately predicted and fulfilled prophecies** contained in the Hebrew and Greek Scriptures (many in very specific, detailed descriptions of the then future circumstances of Jesus Christ's life on earth, as well as predicting his then future words and deeds!).

C. **The Holy Scriptures are comprised of 365, mostly fulfilled with incredible 100% accuracy (unimaginable probability by any stastical measure!), prophecies that concern the then future Messiah, describing Who He is/His name, "Almighty God" (Isaiah 9:6,7),** where He would be born, what very specific circumstances would impact His life (what specifically happens to Him), detailed descriptions of the unlawful abuses and crucifixion He would suffer (Isaiah: 52:13,53 (especially verses 5-12 -- exactly the same circumstances Jesus went through as described in the gospel accounts) and Isaiah 53), His teachings and parables, His miracles and healings, raising the dead, and other amazing actions that demonstrate His divinity, even when He would die (Daniel 9:26) and his return to earth to fulfill and seal up all prophesy, defeat the Satan-indwelt antichrist (your future boss man) who comes on the scene as supreme leader of the despotic final

world government (only lasting seven years). Jesus the Messiah saves the world and its remaining population from being totally burned up (one third of all life and earth surface will be burned up due to man's warfare), defeating Satan and casting him, the false prophet / antichrist, along with the *millions of people who accept the "mark of the beast,"* **(IN ALL LIKELIHOOD IT WOULD BE A VERSION OF THE CURRENT SURVEILLANCE / TRACKING / FINANCIAL / MEDICAL INFORMATION MICROCHIP INPLANT (ALREADY USED IN ANIMALS) PUSHED BY MANY CURRENT AUTHORITARIANS LIKE REPRESENTATIVE PETER KING AND SENATOR CHARLES SCHUMER WHO "OVERSEE" THE UNCONSTITUTIONAL, NON-CHECKED, NON-REPRESENTATIVE NATIONAL SECURITY ADMINISTRATION. SEE THE ATTACHED GRAPHIC OF A TYPICAL UPC SYMBOL THAT UNDENIABLY SHOWS ITS "666" STRUCTURE!** in their right hand or forehead that is based on the number "666" (Revelation 14:9, 19:20) into the "Lake of Fire and Brimstone." After the final battle at Armageddon, Jesus will establish his 1,000 year reign of total, absolute peace (Daniel 9, and Revelation 19 & 20) where even "the lion and the lamb will lay side-by-side, and a child will lead them by the hand." Again, please see the attached Messianic Prophecy lists for this undeniable proof! No sane person can argue against this evidence! Period!

8. **Cowardice:** It is not "Politically Incorrect" nor is it "forcing one's 'religion' on another" when one is presenting / preaching the Gospel Message with the intent being to introduce the actual person of Jesus Christ to another. We Christians are not ashamed of the Gospel nor of Jesus, our Lord and Savior.

Suggestions: Take Jesus' words for combatting this sin:

A. "Therefore everyone who confesses Me before men, I will also confess him before the Father (Jesus, our Intercessor) who is in heaven. But whoever denies me before men, I will also deny him before My Father who is in heaven." (Matthew 10:32, 33)

B. "Those whom I love, I reprove and discipline; therefore **be zealous and repent.**" (Revelation 3:19);

C. "For this reason I say to you, **do not worry about your life**, as to what you will eat; nor for your body, as to what you will put on. For life is more than food, and the body more than clothing...And **which of you by worrying can add a single hour to his life's span?** If then you cannot do even a very little thing, **why do you worry about other matters?...You men of little faith!...do not keep worrying...**Your Father knows that you need these things. But seek

His kingdom (i.e. stay focused on what God has assigned for us, each day), and these things will be added to you. **DO NOT BE AFRAID, LITTLE FLOCK, for your Father has chosen gladly to give you the kingdom.**" (Luke 12: 22-32);

D. "He who loves his life loses it; and he who hates his life in this world will keep it to life eternal. If anyone serves Me, he must follow Me; and where I am, there My servant will be also; if anyone serves Me, the Father will honor him." (John 12:25, 26)

**9. Homosexuality.** From the medical information in my attached document "*Homosexuality...Setting the Record Straight*" per famous 20<sup>th</sup> century psychiatrist, Dr. Melvin Anshell's research all Homosexuals (and prostitutes) are victims of sexual abuse by other homosexuals, pedophiles, in same-sex isolated environments and not from any DNA defect or other natural cause. Hence their damaged self-image and anguish contributes to their "learned" behavior and chosen lifestyle. This "learned behavior" is shown to be reversible. Suggestion: Seek help from Teen Challenge Ministry and Mayo Clinic that have high success rates for those suffering from a myriad variety of Addictions.

**10. Mental illness:** Antisocial Personality Disorders: See the attached Mayo Clinic Medical Information.

**11. Appeal to Congress, the Second Pillar of our Government:**

In the interest of eliminating abuses by the other Pillars of our government, please immediately abolish / repeal any and all legislation – and never again introduce legislation – that supports or establishes any non-representative, "unchecked," "purely-democratic" or especially even "*socialistic*," autonomous governmental body or Act of Congress for any purpose however "well-intended" it may be in the circumstances existing at the time; for example the NSA under the "*Patriot Act*" that was a knee-jerk reaction to the horror and shock of "911," the IRS, the Department of Education, which seized power from the individual states.

**12. Appeal to the Media, the Fourth Pillar of Our Government:**

Have the courage to "just do your jobs" as "watch dogs" who aggressively investigate and expose entities or other crisis circumstances that threaten either our Constitutional Republic or the Fifth Pillar of Our Government, its Citizenry. The Media is responsible to inform the Citizenry of these crisis circumstances, the potential or real threats to them and what plan(s) of action the Citizenry must carryout to thwart them. For example, the Media has no greater such responsibility to inform the American Citizenry of the existing Elitist, de facto,

clandestine government syndicate (its members and their alleged treasonous activities) that is achieving its objective to seize dominion /establish a new government and render the United States Constitutional Republic "null and void," non-existent.

**"Our Constitutional Republic requires an electorate that is generally moral, educated and informed."** It is our individual responsibility to maintain these qualities, for *"Freedom isn't free!," "Any generally immoral, uneducated and / or unformed electorate deserves nothing more than the representation that it gets."*

Members of the Media, as an example of the notion of "just do your job," take Justice Jeanine's last 14MAY16 telecast where she exposed the Clinton Foundation and Bill and Hillary's abuse of power, directly informing the Citizenry not to permit Hillary Clinton from becoming President, should the DNC endorse her, by exercising their Constitutional Duty at the ballot box. This is in-keeping with Sir Frances Schaeffer's instruction/opinion in his writings.

**13. Appeal To my "Arch-Nemesis," Darth Dodgers (whoever he thinks he is), and his band of Merry Minions within the de facto, clandestine, National Government Syndicate that is in futility attempting to over- throw our God-Ordained Constitutional Republic:**

01MAY16 "KILLING ROB WAURO..."

Review again Comment #5 on pages 33-47. If in deed we are about to enter the final seven-year end-time Tribulation Period and your current course is responsible for this, carefully reconsider the following:

1. Your alleged objective to overthrow our government in light of the overwhelming, absolute, 100- percent-true evidence supporting Jesus Christ as the Savior of the World (i.e. would you foolishly "die for a lie?);

a) From the "end-time" prophecies in the Prophetic Books of Daniel and Revelation the conditions of the physical and socio/political world would be the worst possible, nasty, horrific in the entire history of the earth. Would you really like to rule in this environment? (i.e. Your roles and responsibilities would be "hard to face" day after day, to say the least);

b) From the "end-time" prophecies in the Prophetic Books of Daniel and Revelation you now realize that your rule would be for a very limited period of time – assuming you even live to see the beginning of the final seven-year Tribulation Period. You would be forced to relinquish your authority/rule to first the antichrist then to Satan himself after he indwells the antichrist who is risen from the dead 3.5 years into the Tribulation Period;

c) Do you not see how futile and foolish it is for you all to continue on your current path, pursuing your current objective? Wouldn't you all be the

dumbest, densest, dolts of all God's creatures to have ever been hatched, born, swam, slither, crawl, walk, fly, or mysteriously tele-project itself on the entire earth?

d) Most importantly, you now realize that you definitely would spend all eternity, in the Lake of Fire – that special place reserved for Satan, his fallen angels, the antichrist, the false prophet, and the billions of those who will have accepted the implanted microchip "mark of the beast" in/on their bodies for all eternity separated from the presence of God and each other. How dumb is that?

e) Considering the alternative – you all surrendering to Jesus, accepting His free gift of salvation/redemption from all your past, present, and future sins (For the penalty of sin is death) – making Jesus your Lord, allowing God to transform you into the person He wants you to be so that you, together with God's magnificent leadership, will accomplish things greater than what even Christ was able to accomplish during His 33 year life on earth. In deed this would be just as He is doing with me now, in "real time!"

f) Am I missing something? What other amazing, eternal benefits would you all be blessed with from this obviously wise decision?

g) Remember, God purposefully designed each of us to have an unlimited number, and types of "insatiable" wants, desires, and needs that only He, the limitless, all powerful God, can satisfy. You cannot possibly accomplish this, because should you proudly accomplish a major goal, then another "insatiable desire" would crop up after you get excessively bored in your current circumstance. Take what happens to people who "have it all," yet find what they have is not enough (i.e. They have not realized the necessity of turning to God to meet their needs), so they fall into excessive despair that causes them to take their very God-given lives; for example the world's loss of Prince. How sad.

Come on now, Darth buddy and all you minions of his, make the only wise choice: Turn to Christ, repent of your past and present evil conduct, turn yourselves in to the God-ordained legal authorities so that you can spend "quality time," one-on-one with the God of all creation to develop your relationship with Him as you "do your time" for a year or so in some "country club" prison. Ask D'Souza: I am sure he would tell you that his experience <sup>in prison</sup> was OK and that it passed by quickly. After doing your time, "the sky's the limit" as to the marvelous, gallant and noble accomplishments you and God together would realize.

I ask you, Darth, to remove me from the current AJS "black list" and thereby allow me to have my Petition to Enforce Parenting Plan" finally duly adjudicated by the AJS, as both my ex and my son urgently need psychological testing and therapy to address their extreme anti-social, narcissistic behaviors, as my former

psychological counselor told me they have, and also to pursue a law suit against the father of the boy who caused the 24AUG15 serious car accident in part for filing a false police report and all that that results in.

14. In conclusion:

NOW YOU TOO ARE *POTENTIAL* ALL-SEEING AND ALL-KNOWING SAGES! AGAIN, ALL THANKS BE TO GOD!

## Tests and diagnosis

By Mayo Clinic Staff

To determine a diagnosis and check for related complications, you may have:

- **A physical exam.** Your doctor will try to rule out physical problems that could cause your symptoms.
- **Lab tests.** These may include, for example, a check of your thyroid function or a screening for alcohol and drugs.
- **A psychological evaluation.** A doctor or mental health provider talks to you about your symptoms, thoughts, feelings and behavior patterns. You may be asked to fill out a questionnaire to help answer these questions.

### Determining which mental illness you have

Sometimes it's difficult to find out which mental illness may be causing your symptoms. But taking the time and effort to get an accurate diagnosis will help determine the appropriate treatment.

The defining symptoms for each mental illness are detailed in the Diagnostic and Statistical Manual of Mental Disorders (DSM-5), published by the American Psychiatric Association. This manual is used by mental health providers to diagnose mental conditions and by insurance companies to reimburse for treatment.

### Classes of mental illness

The main classes of mental illness are:

- **Neurodevelopmental disorders.** This class covers a wide range of problems that usually begin in infancy or childhood, often before the child begins grade school. Examples include autism spectrum disorder, attention-deficit/hyperactivity disorder (ADHD) and learning disorders.
- **Schizophrenia spectrum and other psychotic disorders.** Psychotic disorders cause detachment from reality — such as delusions, hallucinations, and disorganized thinking and

speech. The most notable example is schizophrenia, although other classes of disorders can be associated with detachment from reality at times.

- **Bipolar and related disorders.** This class includes disorders with alternating episodes of mania — periods of excessive activity, energy and excitement — and depression.
- **Depressive disorders.** These include disorders that affect how you feel emotionally, such as the level of sadness and happiness, and they can disrupt your ability to function. Examples include major depressive disorder and premenstrual dysphoric disorder.
- **Anxiety disorders.** Anxiety is an emotion characterized by the anticipation of future danger or misfortune, along with excessive worrying. It can include behavior aimed at avoiding situations that cause anxiety. This class includes generalized anxiety disorder, panic disorder and phobias.
- **Obsessive-compulsive and related disorders.** These disorders involve preoccupations or obsessions and repetitive thoughts and actions. Examples include obsessive-compulsive disorder, hoarding disorder and hair-pulling disorder (trichotillomania).
- **Trauma- and stressor-related disorders.** These are adjustment disorders in which a person has trouble coping during or after a stressful life event. Examples include post-traumatic stress disorder (PTSD) and acute stress disorder.
- **Dissociative disorders.** These are disorders in which your sense of self is disrupted, such as with dissociative identity disorder and dissociative amnesia.
- **Somatic symptom and related disorders.** A person with one of these disorders may have physical symptoms with no clear medical cause, but the disorders are associated with significant distress and impairment. The disorders include somatic symptom disorder (previously known as hypochondriasis) and factitious disorder.
- **Feeding and eating disorders.** These disorders include disturbances related to eating, such as anorexia nervosa and binge-eating disorder.
- **Elimination disorders.** These disorders relate to the inappropriate elimination of urine or stool by accident or on purpose. Bedwetting (enuresis) is an example.
- **Sleep-wake disorders.** These are disorders of sleep severe enough to require clinical attention, such as insomnia, sleep apnea and restless legs syndrome.
- **Sexual dysfunctions.** These include disorders of sexual response, such as premature ejaculation and female orgasmic disorder.
- **Gender dysphoria.** This refers to the distress that accompanies a person's stated desire to be another gender.
- **Disruptive, impulse-control and conduct disorders.** These disorders include problems with emotional and behavioral self-control, such as kleptomania or intermittent explosive disorder.
- **Substance-related and addictive disorders.** These include problems associated with the excessive use of alcohol, caffeine, tobacco and drugs. This class also includes gambling disorder.
- **Neurocognitive disorders.** Neurocognitive disorders affect your ability to think and reason. These acquired (rather than developmental) cognitive problems include delirium, as well as neurocognitive disorders due to conditions or diseases such as traumatic brain injury or Alzheimer's disease.

- **Personality disorders.** A personality disorder involves a lasting pattern of emotional instability and unhealthy behavior that causes problems in your life and relationships. Examples include borderline, antisocial and narcissistic personality disorders.
- **Paraphilic disorders.** These disorders include sexual interest that causes personal distress or impairment or causes potential or actual harm to another person. Examples are sexual sadism disorder, voyeuristic disorder and pedophilic disorder.
- **Other mental disorders.** This class includes mental disorders that are due to other medical conditions or that don't meet the full criteria for one of the above disorders.

## Antisocial personality disorder

### Overview

**NOTE!**

By Mayo Clinic Staff

Antisocial personality disorder, sometimes called sociopathy, is a mental condition in which a person consistently shows no regard for right and wrong and ignores the rights and feelings of others. People with antisocial personality disorder tend to antagonize, manipulate or treat others harshly or with callous indifference. They show no guilt or remorse for their behavior.

Individuals with antisocial personality disorder often violate the law, becoming criminals. They may lie, behave violently or impulsively, and have problems with drug and alcohol use. Because of these characteristics, people with this disorder typically can't fulfill responsibilities related to family, work or school.

### Symptoms

Antisocial personality disorder signs and symptoms may include:

- Disregard for right and wrong
- Persistent lying or deceit to exploit others
- Being callous, cynical and disrespectful of others
- Using charm or wit to manipulate others for personal gain or personal pleasure
- Arrogance, a sense of superiority and being extremely opinionated
- Recurring problems with the law, including criminal behavior
- Repeatedly violating the rights of others through intimidation and dishonesty
- Impulsiveness or failure to plan ahead
- Hostility, significant irritability, agitation, aggression or violence

Individual was compensated for their time

- Lack of empathy for others and lack of remorse about harming others
- Unnecessary risk-taking or dangerous behavior with no regard for the safety of self or others
- Poor or abusive relationships
- Failure to consider the negative consequences of behavior or learn from them
- Being consistently irresponsible and repeatedly failing to fulfill work or financial obligations

Adults with antisocial personality disorder typically show symptoms of conduct disorder before the age of 15. Signs and symptoms of conduct disorder include serious, persistent behavior problems, such as:

- Aggression toward people and animals
- Destruction of property
- Deceitfulness
- Theft
- Serious violation of rules

Although antisocial personality disorder is considered lifelong, in some people, certain symptoms — particularly destructive and criminal behavior — may decrease over time. But it's not clear whether this decrease is a result of aging or an increased awareness of the consequences of antisocial behavior.

### When to see a doctor

People with antisocial personality disorder are likely to seek help only at the urging of loved ones. If you suspect a friend or family member may have the disorder, you might gently suggest that the person seek medical attention, starting with a primary care physician or mental health professional.

## Diagnosis

By Mayo Clinic Staff

People with antisocial personality disorder are unlikely to believe they need help. However, they may seek help from their health care provider because of other symptoms such as depression, anxiety or angry outbursts or for treatment of substance abuse.

People with antisocial personality disorder may not provide an accurate account of signs and symptoms. A key factor in diagnosis is how the affected person relates to others. With permission, family and friends may be able to provide helpful information.

After a medical evaluation to help rule out other medical conditions, the health care provider may make a referral to a mental health professional for further evaluation.

Diagnosis of antisocial personality disorder is typically based on:

- A psychological evaluation that explores thoughts, feelings, relationships, behavior patterns and family history
- Personal and medical history
- Symptoms listed in the Diagnostic and Statistical Manual of Mental Disorders (DSM-5), published by the American Psychiatric Association

Though antisocial personality disorder is difficult to treat, for some people, treatment and close follow-up over the long term may be beneficial. Look for medical and mental health professionals with experience in treating antisocial personality disorder.

Treatment depends on each person's particular situation, their willingness to participate in treatment and the severity of symptoms.

### Psychotherapy

Psychotherapy, also called talk therapy, is sometimes used to treat antisocial personality disorder. Therapy may include, for example, anger and violence management, treatment for substance abuse, and treatment for other mental health conditions.

But psychotherapy is not always effective, especially if symptoms are severe and the person can't admit that he or she contributes to serious problems.

### Medications

There are no medications specifically approved by the Food and Drug Administration to treat antisocial personality disorder. Doctors may prescribe medications for conditions sometimes associated with

## Causes

Personality is the combination of thoughts, emotions and behaviors that makes everyone unique. It's the way people view, understand and relate to the outside world, as well as how they see themselves. Personality forms during childhood, shaped through an interaction of inherited tendencies and environmental factors.

The exact cause of antisocial personality disorder isn't known, but:

- Genes may make you vulnerable to developing antisocial personality disorder — and life situations may trigger its development
- Changes in the way the brain functions may have resulted during brain development

## Risk factors

Certain factors seem to increase the risk of developing antisocial personality disorder, such as:

- Diagnosis of childhood conduct disorder
- Family history of antisocial personality disorder or other personality disorders or mental illness
- • Being subjected to abuse or neglect during childhood
- • Unstable, violent or chaotic family life during childhood
- • Men are at greater risk of having antisocial personality disorder than women are.

## Complications

Complications, consequences and problems of antisocial personality disorder may include, for example:

- Spouse abuse or child abuse or neglect
- Alcohol or substance abuse

# Narcissistic personality disorder

---

By Mayo Clinic Staff

Narcissistic personality disorder is a mental disorder in which people have an inflated sense of their own importance, a deep need for admiration and a lack of empathy for others. But behind this mask of ultraconfidence lies a fragile self-esteem that's vulnerable to the slightest criticism.

A narcissistic personality disorder causes problems in many areas of life, such as relationships, work, school or financial affairs. You may be generally unhappy and disappointed when you're not given the special favors or admiration you believe you deserve. Others may not enjoy being around you, and you may find your relationships unfulfilling.

Narcissistic personality disorder treatment is centered around talk therapy (psychotherapy).

Narcissistic personality disorder is one of several types of personality disorders. Personality disorders are conditions in which people have traits that cause them to feel and behave in socially distressing ways, limiting their ability to function in relationships and other areas of their life, such as work or school.

If you have narcissistic personality disorder, you may come across as conceited, boastful or pretentious. You often monopolize conversations. You may belittle or look down on people you perceive as inferior. You may feel a sense of entitlement — and when you don't receive special treatment, you may become impatient or angry. You may insist on having "the best" of everything — for instance, the best car, athletic club or medical care.

At the same time, you have trouble handling anything that may be perceived as criticism. You may have secret feelings of insecurity, shame, vulnerability and humiliation. To feel better, you may react with rage or contempt and try to belittle the other person to make yourself appear superior. Or you may feel depressed and moody because you fall short of perfection.

Many experts use the criteria in the Diagnostic and Statistical Manual of Mental Disorders (DSM-5), published by the American Psychiatric Association, to diagnose mental conditions. This manual is also used by insurance companies to reimburse for treatment.

DSM-5 criteria for narcissistic personality disorder include these features:

- Having an exaggerated sense of self-importance
- Expecting to be recognized as superior even without achievements that warrant it
- Exaggerating your achievements and talents
- Being preoccupied with fantasies about success, power, brilliance, beauty or the perfect mate
- Believing that you are superior and can only be understood by or associate with equally special people
- Requiring constant admiration
- Having a sense of entitlement
- Expecting special favors and unquestioning compliance with your expectations
- Taking advantage of others to get what you want
- Having an inability or unwillingness to recognize the needs and feelings of others
- Being envious of others and believing others envy you
- Behaving in an arrogant or haughty manner

Although some features of narcissistic personality disorder may seem like having confidence, it's not the same. Narcissistic personality disorder crosses the border of healthy confidence into thinking so highly of yourself that you put yourself on a pedestal and value yourself more than you value others.

## When to see a doctor

When you have narcissistic personality disorder, you may not want to think that anything could be wrong — doing so wouldn't fit with your self-image of power and perfection. People with narcissistic personality disorder are most likely to seek treatment when they develop symptoms of depression — often because of perceived criticisms or rejections.

If you recognize aspects of your personality that are common to narcissistic personality disorder or you're feeling overwhelmed by sadness, consider reaching out to a trusted doctor or mental health provider. Getting the right treatment can help make your life more rewarding and enjoyable.

It's not known what causes narcissistic personality disorder. As with other mental disorders, the cause is likely complex. Narcissistic personality disorder may be linked to:

- Mismatches in parent-child relationships with either excessive pampering or excessive criticism
- Genetics or psychobiology — the connection between the brain and behavior and thinking

Narcissistic personality disorder is rare. During childhood and teen years, children may show traits of narcissism, but this may simply be typical of their age and doesn't mean they'll go on to develop narcissistic personality disorder.

Narcissistic personality disorder affects more males than females, and it often begins in the teens or early adulthood.

Although the cause of narcissistic personality disorder isn't known, some researchers think that in biologically vulnerable children, parenting styles that overemphasize the child's specialness and criticize fears and failures may be partially responsible. The child may hide low self-esteem by developing a superficial sense of perfection and behavior that shows a need for constant admiration.

Complications of narcissistic personality disorder, if left untreated, can include:

- Relationship difficulties
- Problems at work or school
- Depression
- Drug or alcohol abuse
- Suicidal thoughts or behavior

You may start by seeing your doctor, or your doctor may immediately refer you to a mental health provider, such as a psychiatrist.

## What you can do

Before your appointment, make a list of:

- **Any symptoms you're experiencing and for how long**, to help determine what kinds of events are likely to make you feel angry or defeated
- **Key personal information**, including traumatic events in your past and any current major stressors
- **Your medical information**, including other physical or mental health conditions with which you've been diagnosed
- **Any medications**, vitamins or other supplements you're taking and the dosages
- **Questions to ask your mental health provider** so that you can make the most of your appointment

Take a trusted family member or friend along, if possible, to help remember the details. In addition, someone who has known you for a long time may be able to ask helpful questions or share important information with the mental health provider.

Some basic questions to ask your mental health provider include:

- What exactly is narcissistic personality disorder?
- Could I have other mental health conditions?
- What is the goal of treatment?
- What treatments are most likely to be effective for me?
- How much do you expect my quality of life may improve with treatment?
- How frequently will I need therapy sessions, and for how long?
- Would family or group therapy be helpful in my case?
- Are there medications that can help?
- I have these other health conditions. How can I best manage them together?
- Are there any brochures or other printed materials that I can have? What websites do you recommend?

Don't hesitate to ask questions at any time during your appointment.

## What to expect from your mental health provider

The mental health provider is likely to ask you many questions to gain an understanding of your symptoms and how they're affecting your life. He or she may ask:

- What are your symptoms?
- When do these symptoms occur, and how long do they last?
- How do your symptoms affect your life, including school, work and personal relationships?
- How do you feel — and act — when others seem to criticize or reject you?
- Do you have any close personal relationships? If not, how do you explain that lack?
- What are your major accomplishments?
- What are your major goals for the future?
- How do you feel when someone needs your help?
- How do you feel when someone expresses difficult feelings, such as fear or sadness, to you?
- How would you describe your childhood, including your relationship with your parents?

- Have any of your close relatives been diagnosed with a mental health problem, such as a personality disorder?
- Have you been treated for any other mental health problems? If yes, what treatments were most effective?
- Do you use alcohol or illegal drugs? How often?
- Are you currently being treated for any other medical conditions?

Narcissistic personality disorder is diagnosed based on:

- Signs and symptoms
- A thorough psychological evaluation that may include filling out questionnaires
- A physical exam to make sure you don't have a physical problem causing your symptoms

Some features of narcissistic personality disorder are similar to those of other personality disorders. Also, it's possible to be diagnosed with more than one personality disorder at the same time.

## Psychotherapy

Narcissistic personality disorder treatment is centered around talk therapy, also called psychotherapy. Psychotherapy can help you:

- Learn to relate better with others so your relationships are more intimate, enjoyable and rewarding
- Understand the causes of your emotions and what drives you to compete, to distrust others, and perhaps to despise yourself and others

Because personality traits can be difficult to change, therapy may take several years. Areas of change are directed at helping you accept responsibility and learning to:

- Accept and maintain real personal relationships and collaboration with co-workers
- Recognize and accept your actual competence and potential so you can tolerate criticisms or failures
- Increase your ability to understand and regulate your feelings
- Understand and tolerate the impact of issues related to your self-esteem
- Release your desire for unattainable goals and ideal conditions and gain an acceptance of what's attainable and what you can accomplish

## Medications

There are no medications specifically used to treat narcissistic personality disorder. However, if you have symptoms of depression, anxiety or other conditions, medications such as antidepressants or anti-anxiety drugs may be helpful.

You may feel defensive about treatment or think it's unnecessary. The nature of narcissistic personality disorder can also leave you feeling that therapy is not worth your time and attention, and you may be tempted to quit.

However, it's important to:

- **Keep an open mind.** Focus on the rewards of treatment.
- **Stick to your treatment plan.** Attend scheduled therapy sessions and take any medications as directed. Remember, it can be hard work and you may have occasional setbacks.
- **Learn about it.** Educate yourself about narcissistic personality disorder so you can better understand symptoms, risk factors and treatments.
- **Get treatment for substance abuse or other mental health problems.** Your addictions, depression, anxiety and stress can feed off each other, leading to a cycle of emotional pain and unhealthy behavior.
- **Learn relaxation and stress management.** Try stress-reduction techniques, such as meditation, yoga or tai chi. These can be soothing and calming.
- **Stay focused on your goal.** Recovery from narcissistic personality disorder takes time. Stay motivated by keeping your recovery goals in mind and reminding yourself that you can work to repair damaged relationships and become happier with your life.

Because the cause of narcissistic personality disorder is unknown, there's no known way to prevent the condition. However, it may help to:

- Get treatment as soon as possible for childhood mental health problems
- Participate in family therapy to learn healthy ways to communicate or to cope with conflicts or emotional distress
- Attend parenting classes and seek guidance from therapists or social workers if needed

**Description:** *The Suffering and Exaltation of the Messiah*  
**Prophecy:** Isaiah 52:13-53:12

<sup>13</sup> See, my servant will act wisely;  
 he will be raised and lifted up and highly exalted.

<sup>14</sup> Just as there were many who were appalled at him—  
 his appearance was so disfigured beyond that of any man  
 and his form marred beyond human likeness—

<sup>15</sup> so will he sprinkle many nations,  
 and kings will shut their mouths because of him.  
 For what they were not told, they will see,  
 and what they have not heard, they will understand.

Isaiah 53 <sup>1</sup> Who has believed our message  
 and to whom has the arm of the LORD been revealed?

<sup>2</sup> He grew up before him like a tender shoot,

## **HOMOSEXUALITY, JUDAISM, AND CHRISTIANITY: SETTING THE RECORD “STRAIGHT”**

Tuning into some television news programs lately one would find that these three topics are often presented together and focused on gay marriage.

These reports are often based on misleading and false information for several apparent reasons: namely, faddish political correctness (emotionally-based, shallow, fickle popular / temporal opinions not necessarily based on any real supporting evidence) in part fostered by powerful organizations from the media to public and private entities; factions on one side pushing their biased agendas for their reasons; haste (i.e. the news network wants to be the first to report on these stories without taking the time to adequately investigate, understand and verify the information it gathers); and even apparent malicious intent for attaining an increasing level of political power and influence over the population to change our society to align with their worldview. *[Please refer to attachment numbers 03 through 09, 11 and 15].*

It is apparent that the propagation of this misleading information is resulting in unnecessary and misguided societal division, undeserved, even tyrannical, egregious harm done to one party by an opposing party, and violations of or attempts to stifle a party's First Amendment Right to Freedom of Expression under the United States Constitution. This has to stop.

As recently reported by some media outlets, several politically-motivated organizations and, shockingly, even federal government agencies are forcefully attacking other entities and private citizens who hold opposing worldviews. For example,

1) The IRS is currently scrutinizing any and all churches and other religious ministries / organizations of all faiths, but Christian churches and organizations in particular. The IRS is currently threatening to revoke individual churches' and religious organizations' tax-exempt statuses for either expressed opposition to gay marriage or a Church's political views that are preached from the pulpit. It has been reported that IRS agents are attending religious services to gather "violations" of IRS "self-legislated" rules.

2) "Duck Commander" Phil Robertson, the "star" of the extremely popular nationally aired "Duck Dynasty" reality cable television show. He was publically condemned and the show was immediately cancelled by the network after the show's star "Duck Commander" Phil Robertson, a vocal Christian, expressed in a televised interview his opinion of homosexuality and other sinful lifestyles from his understanding of the bible;

3) The Benham brothers had their new upcoming real estate show on HGTV cancelled by the network and they lost their relationship with their financial lender, Suntrust Bank. They simply stated on television that "any sexual acts outside of a faithful, monogamous heterosexual marriage relationship puts those involved at risk of physical and emotional harm." (a undeniably true statement based on hard science with no judgment of any person) *[Please refer to attachment #10 regarding the effectiveness of protective sex products and methods];*

## **HOMOSEXUALITY, JUDAISM, AND CHRISTIANITY: SETTING THE RECORD “STRAIGHT”**

4) Mozilla Firefox’s founder and CEO, Brennan Eich, was recently fired simply because in 2007 he sent a contribution to the organizers who supported California’s Proposition 8 to outlaw homosexual marriage in the State of California.

5) Even President Barrack Obama pandered to NAMBLA, a major donor to the Democrat National Committee, in July 2013 while on his \$100,000,000 U.S. taxpayer-funded diplomatic trip to Kenya at his main public address to the Kenyans, when he arrogantly told the Kenyans to “modernize by accepting gay marriage into their society...” This forced attending Deputy President Rousseau to respond by saying to the President and the Kenyan people, “Kenya is a God-fearing nation. Kenyans believe in God and we are opposed to gay marriage.”

The purpose of this report is to “set the record ‘straight’” by presenting indisputable facts about these three topics, with objective back-up evidence and information and to leave it to the reader to come to his/her own conclusions about these social issues. Also for the reader’s consideration, Christian apologetics is a large part of this report. The writer closes with an appeal to the readers to strive for unity, civility and mutual respect for other’s views for the good of our free society.

It is understood that the Humanism (a man-centered religion, random-chance physical universe) and the Judeo-Christian (belief in a Supreme Being Creator, Provider, Protector, etc) worldviews are diametrically opposed to each other. However, that is no excuse for the current, blatant abuses and possible violations of the laws of the United States, its Constitution and anyone’s civil rights exerted by one party against another.

### **I. Homosexuality:**

According to the findings of numerous psychiatric studies done on homosexuals during the last one hundred years or so *[Please refer to attachment #'s 01 and 02]*:

- 1) Universally, homosexuals are victims of sexual abuse, often committed by older homosexuals, or they are part of a community that is isolated from the opposite sex for long periods of time (e.g. prisons, battlefields, etc). Only in some cases where a newborn’s sexual organs have not been fully developed and the doctor must determine the gender, could some confusion about the child’s sexuality result later in the child’s life.
- 2) Psychoanalysts have determined that homosexuality is universally a “learned behavior” as a response to the abuse homosexuals are victims of. There is no evidence of any chromosome or DNA strain that would predispose one to homosexual behavior.
- 3) This learned behavior is reversible as is evident based on the successes of various social programs from Teen Challenge and other organizations. (It should be noted that the successful “graduates” of the programs are often verbally criticized and ostracized by the homosexual community and the complicit media). *[Please refer to attachment # 17]*.

## **HOMOSEXUALITY, JUDAISM, AND CHRISTIANITY: SETTING THE RECORD "STRAIGHT"**

### **II. Judaism and the Old Testament Holy Scriptures:**

The following are some of the Biblical Scriptures that address homosexuality and atheism / humanism:

"A fool says in his heart, 'There is no God'." (Psalm 14:1)

"You shall not lie with a male as one lies with a female; it is an abomination."  
(Leviticus 18:22)

The Hebrews wrote and preserved the Divinely-inspired Old Testament Scriptures. They maintained the genealogical records of the Israelites, including the Messiah's lineage, until their Temple in Jerusalem was destroyed and they were massacred or scattered from their land by the Romans around 70 AD.

One third of the Old Testament consists of 365 prophecies in various books from Genesis through Malachi that describe the two roles and detailed life events of God's promised Messiah. First, the sinless, unblemished Lamb of God, the Ultimate Sacrifice for the forgiveness of each and potentially every individual's sin resulting in the reuniting and re-establishing our relationships with God Himself, as he intended when He first created mankind. Second, The Messiah is the King of Kings and Lord of Lords who will establish his absolute rule on earth for "a thousand year" period of time, then for all eternity over all of the universe, tangible and intangible. His children will rule with Him. *[Please refer to the attachment #'s 12, 13 and 14 for lists of all of the 365 messianic prophecies and the "top 20 most popular prophecies"].*

The Holy Bible comprised of the 66 books of the Old and New Testaments is the most popular book in human history. It and the surviving historic manuscripts that current translations are based on are the most scrutinized, tested (scientifically dated, archeologically authenticated, etc) and examined by skeptics and critics to this day. The Bible has successfully passed all muster. If the reader has any doubts about its veracity as God's inspired Word, please talk to a pastor or priest of a mainstream Christian church (except for the Presbyterian denomination which has embraced the Humanist worldview to a great extent). In addition, the reader can look up answers to his/her questions in Bible-apologetic books. For example, Josh McDowell's "Evidence That Demands a Verdict..." and "More Evidence That Demands a Verdict..."

### **III. Christianity:**

Christians, by definition are followers of Jesus Christ. Each believer has his/her own distinct encounters with Jesus and each one has his/her distinct relationship with Jesus. Faith in Jesus Christ is not a "blind faith" but is based on convincing evidence the believer has personally encountered. An example is the fact that most of the 365 messianic prophecies contained throughout the Old Testament Holy Scriptures have been fulfilled in the life of Jesus Christ. This is indisputably backed up with enemy eyewitness

testimony contained in separate Roman and Jewish historic manuscripts; healings, miracles, answered prayers, etc. *[Please see attachment # 14. Also, please read the book "Killing Jesus" by Bill O'Reilly and Martin Dugard.]*

Jesus claimed to be wholly God and was wholly man while on earth. He made the following declarations and statements about Himself:

"I and the Father are one:"

"When you see Me, you see the Father:"

"I am the Way, the Truth, and the Life. No one comes to the Father except through Me:"

"Truly, truly, I say to you, before Abraham was born, 'I am.'"

The New Testament like the Old Testament also comments on sin, including homosexuality directly or by implication; for example:

### **I. Jesus said the following:**

"If you do not call sin what I call sin, you call God a liar:"

"There is pleasure in sin for a season, but in the end it leads to death:"

"...Truly I say to you, unless you are converted and become like children, you will not enter the kingdom of heaven. Whoever then humbles himself as this child, he is the greatest in the kingdom of heaven. And whoever receives one such child in My name receives Me; but whoever causes one of these little ones who believe in Me to stumble, it would be better for him to have a heavy millstone hung around his neck, and to be drowned in the depth of the sea." (Matthew 18:3-6)

### **II. The apostle Paul wrote regarding homosexuality and sin in general:**

"For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men who suppress the truth in unrighteousness...For even though they knew God, they did not honor Him as God or give thanks, but they became futile in their speculations and their foolish heart was darkened. Professing to be wise they became fools, and exchanged the glory of the incorruptible God for an image in the form of corruptible man...For they exchanged the truth of God for a lie, and worshipped the creature rather than the Creator...For this reason God gave them over to degrading passions; for their women exchanged the natural function for that which is unnatural, and in the same way also the men abandoned the natural function of the woman and burned in their desire toward one another, men with men committing indecent acts and receiving in their own persons the due penalty of their error." (Romans 1:18-26)

"...law is not made for a righteous person, but for those who are lawless and rebellious, for the ungodly and sinners, for the unholy and profane, for those who kill their fathers or mothers, for murders and immoral men and homosexuals and kidnappers and liars and perjurers, and whatever else is contrary to sound teaching according to the glorious gospel of the blessed God..." (1 Timothy 1:8-10)

"For the wages of sin is death, but the free gift of God is eternal life in Jesus Christ our Lord." (Romans 6:23)

"Do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect." (Romans 12:2)

"Set your mind on the things above, not on the things that are on earth."

Two widely renowned, highly respected men who have addressed Jesus' challenge to everyone to "Test Me and know that I am true" are:

First, Simon Greenleaf, former Royall Professor of Law (1833) and former Dane Professor at Harvard University (1846), is ascribed as being solely responsible for the rise of Harvard Law School to its eminent position among legal schools of the United States.

Simon Greenleaf authored his famous "Treatise on the Law of Evidence." This Treatise defines what is credible, acceptable evidence allowed to be admitted in any American court of law, and what is not.

Simon Greenleaf authored another famous book "An Examination of the Testimony of the Four Evangelists by the Rules of Evidence Administered in the Courts of Justice". He in effect put on trial the testimonies of Matthew, Mark, Luke and John regarding their being confronted by the resurrected Jesus from their individual Gospel accounts. *[Please refer to attachment # 15].*

Simon Greenleaf's stated conclusion based on the evidence is:

"The great truths which the Apostles declared, were that Christ had risen from the dead, and that only through repentance from sin and faith in Him, could men hope for salvation...They had every possible motive to review carefully the grounds of their faith, and the evidences of the great facts and truths which they asserted; and these motives were pressed upon their attention with the most melancholy and terrific frequency. It was therefore impossible that they could have persisted in affirming the truths they have narrated had not Jesus actually risen from the dead, and had they not known this fact as certainly as they knew any other fact. If it were morally possible for them to have been deceived in this matter, every human motive operated to lead them to discover and avow their error. To have persisted in so great a falsehood, after it was known to them, was not only to encounter, for life, all the evils which man could inflict from without, but to endure also the pangs of inward and conscious guilt; with no hope of future peace, no testimony

of future peace, no testimony of a good conscience, no expectation of honor or esteem among men, no hope of happiness in this life, or in the world to come.

"Such conduct in the apostles would moreover have been utterly irreconcilable with the fact that they possessed the ordinary constitution of our common nature. Yet their lives do show them to have been men like all others of our race; swayed by the same hopes, affected by the same joys, subdued by the same sorrows, agitated by the same fears, and subject to the same passions, temptations, and infirmities as ourselves. And their writings show them to have been men of vigorous understandings. If then their testimony was not true, there was no possible motive for its fabrication."

Second, C.S. Lewis, noted English Professor at Oxford University in the mid twentieth century and former vocal agnostic. After testing Christ and his conversion to Christianity he wrote several apologetic books; including "Mere Christianity" and "The Case for Christianity". He also wrote his famous fiction book series, "The Chronicles of Narnia" which allegorically focuses on Jesus the Messiah and the Gospel message of salvation. This of course has been made into two Hollywood films of the same name.

In closing, the writer's appeal to "nonbelievers" is that you seriously consider taking Jesus' challenge to "Test Me and know that I am true." Decide for yourselves whether His claims about Himself are true, or whether He is a liar or a lunatic. Again, Jesus claimed the following about His being God and Messiah: "When you see Me, you see the Father": "I and the Father are one", "I am the Way, the Truth, and the Life. No one comes to the Father but through Me."

An obvious reason this testing is so important is that it absolutely affects the reader's eternal life: whether or not he/she spends it in the presence of God and shares in Jesus' infinite inheritance and rule over all of creation. "What does it profit a man to gain the whole world, yet lose his soul?" Jesus asked. Please think about this, for your sake.

God will not force His will on anyone. He leaves it is up to each individual to consider and accept His offer of salvation.

Sin separates us from being in the presence of God. God will not and cannot excuse sin, because He is both Just and Merciful at the same time. God said, "Without the shedding of blood there is no forgiveness of sin." This is the reason God humbled Himself by vacating His throne, came to earth as fully a man, and lived a sinless life in order to be an acceptable sacrifice for the atonement of potentially all of humankind's (i.e. each and every believer's) past, present and future sins. Only God is sinless. This was God's plan from the beginning when He ordered each Israelite to offer Him periodic sacrifices for the atonement / forgiveness of each person's sins. These commands for offering sacrifices were a foreshadowing of the first role of the Messiah; the ultimate, final sacrifice for the remission of all humankind's sin.

## **HOMOSEXUALITY, JUDAISM, AND CHRISTIANITY: SETTING THE RECORD "STRAIGHT"**

Jesus willingly endured tremendous physical and emotional suffering; including a Roman execution. Crucifixion has been one of the most torturous forms of execution ever invented. Please read Bill O'Reilly's best selling book, "Killing Jesus" for a detailed description of Jesus' unique, unjust death. Authors O'Reilly and Dugard claim they base their book solely on the historical record and not legend or myth.

Jesus said the following: "There is no greater love than when a man gives his life for the sake of another."

Among Jesus' last words before dieing on the cross were "It is finished," indicating that he fulfilled the first role of the Messiah.

For those bent on achieving enormous fame, wealth, power over people or even pernicious purpose / goal, remember any such "achievement" would be only temporary. As the saying goes, "You can't take it with you."

God, believers' Commander In Chief, has always been interested in new volunteer recruits for His army who display zeal of any kind. He says in scripture, "I would rather you were hot or cold, not lukewarm. The lukewarm I will spew out of My mouth!"

Consider dedicating your earthly life to God and contributing in whatever way God directs you to the spreading of His messages of salvation, life, and true freedom to individuals and the world. In doing so, God promises you would also be "storing eternal treasures in heaven for yourself."

Jesus also calls believers His "brothers" (and "sisters" by implication) and that all believers will actually share in His "inheritance" (everything that exists, tangible and intangible) and His rule for all eternity! How great is that?
