Subject: RE: Last Continuing Resolution

---

Christian,

The last time we had a CR take place (according to my records) was in 1981. This CR kept operating expenditures at the FY 1980-81 level until the FY 1981-82 Appropriation Act was passed. The Appropriation Act was passed in July 1981 with the Governor's vetoes resolved in August 1981.

Hope this helps.

Les

Les,

We had a questions from a couple folks here ask about when the last time was that we had a continuing resolution take effect in SC. Do you know when that was? Thanks.
