Thanks Susan. Do we expect exemptions? If we don't, I can do this tonight. If we do, maybe I should wait until morning and list the exemptions for shelter in place?

Susan, please touch base with Richele regarding the potential need to update the zones listed in the Governor's MME order issued this afternoon. Zones D, E & F in Dorchester County and Zones G & I in Berkeley County were not included in the afternoon order.

Catherine,

Based on the updated information given out which listed D, E, G and I, we will need to amend the order. There are multiple facilities in that area that will need to either evacuate or request an exemption.
