---

Greetings,

Would Gov. Haley be available this evening (1/13) at either 7:00p, 7:30p or 8:00p EASTERN for an interview on the nationally syndicated Chad Benson Show?

We are hoping for 10-12 minutes to discuss the State of the Union Address, her post address, and if time permits, briefly talk about the upcoming GOP debate.

Let me know if this would be possible.

Thanks very much
