Bill,

Hope all is well with you. When we last spoke you mentioned that plans were under way for a meeting regarding the Lexington transportation project. At that time you mentioned you might want me to participate in that meeting. Just checking to see if a date and time has been selected and if you still need/want me to participate. I am happy to do whatever you and Steve deem appropriate to accomplish the goal.

Thanks again for taking on this important effort to get seniors to services.

Coretta

If you don't think Real Possibilities when you think AARP, then you don't know 'aarp'.
