Hi, Dale-

Is there any way we can move this meeting up 30 minutes, to 11:00am? I had another meeting request pop up, and I'm trying to rearrange my schedule a little. Please let me know.

Thanks!

Katharine, Teeshla,

It was good to meet the both of you on Tuesday. We have been discussing the Duals project and would like to move forward with it, but will need to further discuss budget and concepts. I plan to attend the TA meeting in DC later this month in hopes that it will give me additional information for the project. Please let me know when we can meet to discuss forward movement on this project.

Best,
dale
