Leigh,

Attached are PDFs of the violations and the timeline summary to include with Director Koller's letter. The letter needs to be signed and with a date change. We will need to email and mail to all addresses that we have collected from DSS and the Senators (excel file attached). The letter needs to be mailed and/or emailed to the owner listed on the license as well as request by Senator Peeler.

Please call me when you're available – 803-767-7583

Thank you,
Katherine
