Do you know if N has sent a thank you note? I think the company is looking for an acknowledgement of their donation.

Holly,

See attached letter re One SC fund donation (last paragraph). Josh, copying you because of other ask. Let me know how best to direct them. Should I connect them to the CTE folks at Department of Ed? Know they were doing some restructuring.

Thanks,
Beth

FYI. Somehow this got lost in the shuffle across the street. I am working on the education piece but this is something we need to help with.

Tony –

Hope this email finds you well. I have a quick request for assistance. Attached please find a letter we sent to Governor Haley at the end of March to which, unfortunately, we didn't receive any follow-up. We're looking for some guidance from the state as we look to further expand our Tools for Schools program which hopefully will include additional communities in South Carolina. Would you be able to help direct this request to the appropriate individuals who would be able to help us?

Thank you for the help, and I look forward to continuing our expansion discussions in the coming weeks.

Best Regards,
Trey Feiler
