Subject: FY'19 Budget Revisions

Catherine,

I have up-dated all of the Fiscal Year 2019 budget forms and submitted to the Executive Budget Office. The only state funds requested was reduced to \$19,808 for the match to the federal funds. I have adjusted the state funds from Administration in the amount of \$87,734 to the Lieutenant Governor's Office on Aging (LGOA) as the federal match. I did make the correction of the \$11,700 that was added to Unclassified that was supposed to be added to LGOA Classified. This will leave a balance of \$240,000 in Unclassified and \$40,169 in operating at the Lieutenant Governor's Office.

I have attached the documents that were revised. I will have books made for the meeting with the Governor's Office on October 25, 2017 with all of the information related to the FY'19 budget.

If you have any questions or concerns, please let me know.

Thanks
