Dear ,

In contrast to the gun control agenda from the Obama administration, I have continued to passionately defend our gun rights promised to us by the United States Constitution. At the recent Guns Across America rally, [I stated](#),

"We have to fight behind this Tenth Amendment so we don't have to use the Second Amendment. We're peaceful people, but we will not be the generation that lost our liberty."

My friends, will you stand with me to protect our rights?

Tomorrow, February 8th, please join me for a gun rally at our State House in Columbia from 10am - noon to voice our support for Second Amendment rights. Let's do everything we can to ensure that our constitutional liberties are not infringed.

Sincerely,

Lee Bright
State Senator, District 12

P.S. Please [sign our petition today](#) to help protect our right to bear arms!
