**Subject:** Weekly update from Dr. Zais

---

Good afternoon – we hope you're having a great Good Friday!

We did an interactive video blog about the annual Read-In SC – more than 1,500 students participated with Governor Nikki Haley – see it [here](#).

Dr. Zais issued a blog post highlighting the 68 “superstar” schools in our state – did your school make the cut? Check out the list [here](#).

The State Board of Education met last Wednesday – if you missed the meeting, you can watch the video of it [here](#).

Dr. Zais did an interview with Warren Wise from the *Charleston Post and Courier* – the story is called “S.C. workers’ skills-versus-jobs gap expected to grow more severe.” Read it [here](#).

Did you know that Dr. Zais was held back a year in elementary school and overcame dyslexia? He explains why he supports the Read to Succeed bill pending in the General Assembly in this [WLTX interview](#).
