Info on purchasing admission in advance or having a park passport:

As a reminder, purchasing admission online or having a park passport does not guarantee entry to any SC State Park. When the park reaches capacity, it will close and more people will not be allowed in until others leave. We do realize that it is inconvenient and sometimes disappointing to arrive at a park and not be able to enter. We ask that you consider visiting during off-peak times also, when parks are not as crowded. Thank you for your understanding and patience.
