Good morning,

All of you have, or will receive a letter from me detailing the mistreatment of my son with regard to his illness.

It is a response to a letter sent to me by Tammy Trulove.

In that letter, I made a mistake in reporting the name of one of the persons involved.

On page 4, pp3 a Ms. Carr is named. That is incorrect. The correct name of this individual is Ms. Lopes.

I deeply regret this error, Ms. Carr has been nothing but professional, helpful, polite, and understanding. She is entirely innocent in this matter, and I am truly sorry.

I thank you all for your commitment to our community and the state of South Carolina.

Sincerely,

Erica Twiss
