Christian,

I didn't even think about this, but I should have- given that I'm in DC to talk about the govt shutdown... but Brent cant get a letter from CNCS because of the shutdown!

However, he did find language in the rule that gives us authority:  
"§ 2540.203 of the Final Rule explicitly states that grantees can either use the name/dob or fingerprint-based state check"

Thanks,  
Caitlin

Hey Christian!

Attached is: the language agreed upon by SLED and UWASC, the letter from SLED that it "meets and exceeds" the requirements, and the one pager.

I will be in touch on if Brent could get some type of official approval of this language from CNCS and when I have created the Pickens-specific AmeriCorps document.

Thanks for everything!

Caitlin
