Tony Kester will be able to provide you with more information on the state fleet vehicle leasing process (in terms of vans for senior transportation).

I have copied him on this e-mail so that you both will have his contact information. He can also be reached by phone at 803-734-9900.

Hank,
While you and the Lt. Governor were visiting Colleton County's site, state fleet vehicles were discussed. The provider in Colleton County is interested in participating but does not want to proceed until she has more details as to what the fees are.
Whom would we contact to find out more?
Thanks,
